Dress Facilities "Inadequate" Say CHS Basketball Coaches

BY MARGO WILLIAMS

Eagle basketball coach B. B. Kendrick emphasized Monday that dressing facilities for his teams are unsanitary and inadequate.

Kendrick made the statements to Canyon school trustees Monday immediately following the Eagle victory over Borger.

He explained the facilities for the basketball teams, track teams and other off season sports are "totally inadequate".

"We are now dressing over 50 players in one dressing room with only 3 showers. This situation is not only demoralizing to the players but also could be a contributing factor to prospective players passing up the sport," Kendrick declared.

Space Limited

The coach also painted a dismal picture of present workout space for both junior high and high school teams, explaining workouts in the junior high must be held on alternate days after school.

"In a program that includes 12 junior high school teams and 6 high school teams, the problem of workout space becomes one of our largest to combat," he stressed. "With the junior high boys, we are how having to workout only 2 grades after school with the 7th and 8th grades alternating workout days. On the high school level, our gym is in use from 2:30 til 6:30 every day that is not a game day."

Kendrick was joined in his observation concerning the workout space by girls head coach Bob Schneider.

Workouts Crowded

Schneider noted that three teams work out in one hour at the high school and the West Texas State University gym and the junior high gym are used if possible during the noon hour.

"If we can't do this, it means we have to work all three teams in one hour in the gym," Schneider said.

He also mentioned that a one-hour workout period during the day is not adequate to compete, so "we have to come back after the boys finish about 5 or 5:30 p.m. a couple of nights a week."

The girls coach explained the other teams are brought back at nights if enough time is available.

Schneider addressed the school board at 7 p.m. Monday, the board then adjourned until after the Eagle game when Kendrick explained his program.

Practice Day

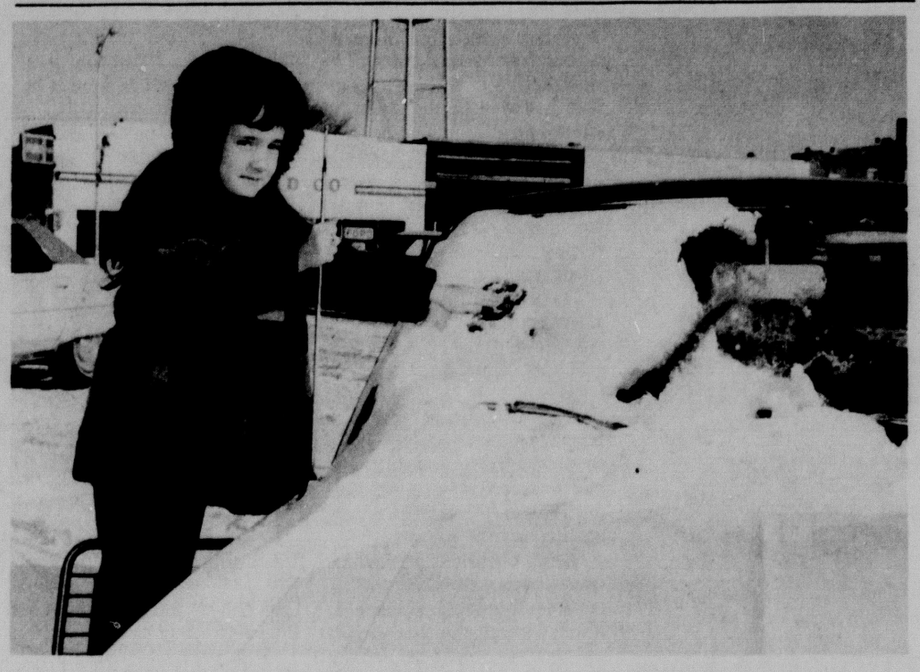

Schneider continued saying the junior high girls teams workout during the school days for one hour.

"The reason we have no after-school workouts is lack of gym space and lack of personnel."

He explained some 216 girls participate in the basketball teams from the seventh grades through high school, and 172 regular season games will be played.

Both men said due to the large number of students on the teams in junior high, students who play in each game are rotated. "so

Cold and snowy, but not discouraged was Kelli Roberts feeling Tuesday as she brushed snow from a car. Kelli, five year old daughter of Mr. and Mrs. Tommie Roberts of Seminole, was bundled for the weather except for mittens, and she admitted that she needed those too for the sub-freezing temperatures that rocked Canyon Monday night and Tuesday.

Says Stewart

Metro Changes Goals

Organized crime will be the future target of Metro Unit officers, according to Canyon police chief Al Stewart.

Stewart told Rotarians Tuesday that Metro goals will be directed toward getting the "big" men in drug pushing.

AL STEWART

"We have not been getting the big wholesale pushers, but we are changing our policies in the Metro Unit," Stewart announced about the bicity, county and West Texas State University police force founded a year ago.

Stewart's statement came during a question and answer period when he was quizzed if law enforcement officers are presently getting the large wholesale pusher, rather than just kids are selling small amounts.

"The Metro Unit will be concentrating its time to organized crime in order to get the big men," he continued.

"It will take a longer time to develop these cases, but we think they will be big cases," he explained.

Stewart urged the public to be patient because "results will be slower in coming when we work on the bigger cases."

The chief spoke at the Rotary meeting on drug problems and urged all adults to communicate with and understand today's youth.

"Conviction of drug possession is a felony, and that conviction can leave social scars throughout life," he told the gathering. "But the fear of penalty doesn't stop drug use."

Stewart told the group, "Youth of today are role oriented, not goal oriented, and they are interested in their role in the world today."

"They are seeking adult models who aren't hypocritical."

He encouraged parents to communicate with their children.

"I urge you to listen to the youth of today. We want to protect our youth, not throw them in jail."

Stewart said the drug problem is being solved partly through education, but communication with adults is part of the answer also.

"Communicate with your own children. Try to understand them, not judge them," he stressed.

Bald Eagles, Chicks Play For Money

It's the Bald Eagles and the Chamber Chicks that will highlight an evening of basketball Jan. 27 in Canyon.

And the two groups, both sponsored by the Canyon Chamber of Commerce, will meet the Four Flushers and the Four Flusherettes from KGNC in Amarillo.

The tilt will be played to raise money for the Chamber Christmas Lighting Fund.

Game time is 6:30 p.m. with the girls taking the floor followed by the Bald Eagles in the high school gym.

Players for the Chicks include Mrs. Treasurer Brasher, Mrs. June Carlile, Mrs. Judy Castleberry, Mrs. Ruby Abbott, Dr. Leta Boswell, Mrs. Margaret Read, Mrs. Edith Nicholas, Mrs. Patricia Magness, Mrs. Barbara Schneider, Mrs. Peggy

Cartwright Home Gutted By Fire

BY ELAINE PEEPLES

Two and one-half year old Leslie Cartwright was upset Tuesday night because she didn't have a bath tub and five-year old Bryan because he didn't have pajamas.....

The Don Cartwright home at 204 Rosemary and all the family's possessions were destroyed Tuesday afternoon by fire.

The only items saved from the burning home were the family photo album and a safety deposit box.

Mrs. Ray Cartwright, Don Cartwright's mother, said that Cartwright went into the house and got the album and the family papers and then went through the garage and let the dog out.

The Canyon fire department was called to the fire in Sherman Acres about 1:30 p.m. Tuesday and fought the fire for about four hours, according to Joe Rice of the Canyon Fire Department.

Six units and 25 firemen were sent to battle the blaze including a large tanker truck from the Randall County road department, Rice said.

Rice said that 15,300 gallons of water was put on the fire and that the department ran out of water. There is no source of water in the housing development and the department had to rely on water from the trucks, Rice said.

Rice said the cause of the fire has not been determined but that the fire apparently started in the garage and utility area of the house.

An account for the Cartwright family has been set up at the First National Bank of Canyon where Mrs. Cartwright has worked as a bookkeeper for about six weeks.

Any donations of clothing or cooking utensils can be taken to the Canyon Police Department, according to Mrs. Jesse Booth, secretary at the police department and a neighbor to the Cartwrights.

Mrs. Ray Cartwright said that a passing motorist saw what he though was steam coming out of the top of the house and stopped at a nearby trailer park and called the Canyon Fire Department.

She said that the man had

For County

Birds Cause Headaches

Dr. Dudley Moore, county health officer, recommended Monday that the starlings in the trees around the courthouse be shot and some of the trees be removed to eliminate a sanitation problem.

Dr. Moore appeared before the commissioners court and said that a combination job would probably be necessary to cut down on the number of birds in the trees.

"From a sanitation standpoint, we should do something," Dr. Moore said. He said that the birds were not causing a disease problem but that there was a problem with the odor from the bird droppings.

Dr. Moore said that in Amarillo, gun clubs were used to shoot the birds there to save the government ammunition expense. "We can disperse the birds to other areas and let someone else worry about it," Dr. Moore said.

Commissioner Glenn Dowlen said that the sheriff's office had shot at the birds previously and "nearly got hung."

Dr. Moore said that in Amarillo, the gun clubs shot at the birds three times one year, twice the next year and "they got the idea and didn't come back."

"We all like trees," Dr. Moore said, "but we might selectively take some out." Dr. Moore said he thought it could be determined where the droppings are and selectively remove the trees in those areas.

"We will have to control the problem rather than eradicate it," Dr. Moore said.

Commissioner Jim Fletcher said he would personally rather see the birds shot than to remove the trees. "If the residents are aware of why they are shooting them they wouldn't object so much," he said.

Dr. Moore said that the birds could be poisoned but that he wouldn't recommend this method. He said grain could also be put out for the birds which would sterilize them so they wouldn't reproduce but he said this method was too expensive.

In other action, the court requested a ruling on who is responsible for paying the postage in returning voter registration certificates for voters who register by mail.

The court said the mailing was expensive to the county and that if possible under the law it could be better for the county to have residents pick up their certificates or send a stamped envelope.

Commissioner Dowlen said, "Alot of people are spending our money for us is the problem."

The court allocated $250 to the Ninth Administrative Judicial District for Randall County and authorized County Road Superintendent Carl Baker to negotiate for county road equipment.

The court also asked Baker to inspect a car used by the

(See BIRDS, page 6)

Page One Musts. . .

Approval Sought

City commissioners will consider final plat approvals in two areas of the city at the regular meeting tonight at 7 o'clock.

According to city manager George Loudder, commissioners will review final plats by Don Mason Builders in the west end of the city, and they will review the final plat in Pioneer Estates on Linda Lane.

Also on the agenda will be the second reading of the CATV ordinance, and they will discuss a request from West Texas State University to surrender street easements.

Loudder said he will request that the commission okay advertisement of bids for the 1972 paving program. He said he would like to open bids in early February.

Commissioners will also discuss the agenda for the Jan. 20 town hall meeting.

Work Committees

Chamber of Commerce board of directors will meet at 7:30 p.m. Monday in the Canyon community center to discuss the 1972 banquet.

Chamber president David West said directors will also discuss formation of committees.

"We want to establish working committees that will actually do the work," West explained.

The annual banquet date has not been set and a speaker has not been confirmed, according to West.

Fletcher Seeks Reelection Bid

J. I. (Jim) Fletcher announced his candidacy for reelection as Randall County Commissioner of Precinct 1 Tuesday.

Following is a statement released by Fletcher:

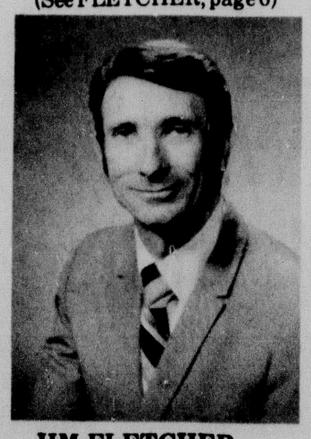

"I would like to announce my candidacy for re-election for a second term as Commissioner of Precinct #1 of Randall County.

"I have enjoyed sharing in the responsibility of good government in Randall County. With the cooperation of the other officials on the court, we have been able to lower county tax rates for the past two years while increasing the efficiency of most departments in the county.

"I am a Director of the Potter-Randall Child Welfare Agency, Second Vice-President of the Panhandle Regional Planning Commission, an organization for the orderly planning and development of all the panhandle by the citizens. I have much interest in the Proposed Urban Development Program for Amarillo.

"This past year, we have started a unit system for road maintenance, which should

Action Monday

Pay Raises For County?

Randall County commissioners will act on pay raises for county employees at their regular meeting Jan. 10.

County Judge Woody Pond stated at the meeting Monday that an allocation was made in the county budget for a six per cent raise for county employees.

Commissioners also discussed a new bill which changes the method of setting county employees salaries and which sets up a salary grievance committee in each county.

Under the new law effective Jan. 1, 1972, the county commissioners of each county will fix the amount of compensation, office expense, travel expense and all other allowances for county and precinct officials and employees who are paid wholly from county funds.

The new law, Bill 384, outdated about 1,000 bracket bills passed by the state legislature affecting single counties, according to County Clerk LeRoy Hutton.

Members of the grievance committee are to be six elected county officials and three residents of the county.

The elected offcials are the sheriff, the county tax assessor-collector, the county treasurer, the county clerk, the district clerk and the county or criminal district attorney. The county judge is chairman of the committee but is not entitled to vote.

The public members of the committee will be selected next Monday from a list of persons serving on grand juries during the preceding year.

Any elected county or precinct officer who is aggrieved by the setting of his salary, expenses, or other allowances by the commissioners court may request a hearing before the committee. The committee may by a vote of six members recommend a change to the commissioners court.

A written recommendation by nine of the members of the committee, however, becomes effective without the action of the commissioners court.

Ruth Hill, county treasurer, appeared before the court to request a raise. Mrs. Hill is now paid $7,300 a year and requested $7,800 which she said was still below the average for county treasurers in counties of the population and

(see PAY, page 6)

David Kent Acclaimed As Top Tennis Coach

West Texas State tennis coach David Kent has been named Tennis Coach of the Year by the committee heading the Panhandle Sports Hall of Fame.

Kent, along with other coaches and athletes of the year, 66ers and was a member of the 1956 United States Olympic Team.

Blaine had great coaching will be honored at the annual installation ceremonies at 2 p.m. Sunday in the Amarillo College Auditorium.

Kent is among the leading contenders for the coach of the year award, which is presented to one of the six coaches being honored.

The Buffalo tennis coached guided his team to the Missouri Valley Conference championship last spring in its first conference effort. The Buffaloes compiled a 23-3 season record and had three tournament championships. Of the 23 wins, 11 were shutouts.

Kent, a former Amarillo High School athlete, has coached his Buffalo netters to a 40-11 record in two years.

Jim Weatherall, former University of Oklahoma All-American from White Deer, Gib Ford and John Blaine will be installed in the Panhandle Sports Hall of Fame. Ford played basketball for Amarillo High School, University of Texas, Phillips records in football, basketball and track at Dimmitt High School.

Kent is among the leading

(See KENT, page 6)

Applications Due In Jan.

Residents of Randall County may order their 1972 license plates from the tax assessor-collectors office as soon as they receive the renewal applications, according to Mrs. Audrey Bruse.

The first of 7.5 million renewal applications were mailed Dec. 31 and owners of motor vehicles should receive the applications early in January.

Formal motor vehicle registration begins Feb. 1. Owners must return the entire renewal application, the registration fee and $1 for each vehicle to be registered to the tax office.

License plates will be returned by mail on Feb. 1 or they may be picked up the tax office, Mrs. Bruse said.

The application form should be left intact and the three-part form should not be separated, Mrs. Bruse said.

Mrs. Bruse said that vehicle owners should also indicate when returning the application, the model name of the vehicle. The applica-

COVERING FUMBLES
by Dean Mitch Jones

If he dared, he would call me two faced when I listen carefully to the other side before I concede that his side is right.

Year's 1st Baby

Baby of the year is little David Randolph Black, son of Mr. and Mrs. Jerry 'Don Black of 200 20th Street in Canyon. The baby was the first born in Canyon at Neblett Memorial Hospital in 1972. He arrived at 1:46 p.m. Saturday, Jan. 1, and weighed 6 lbs., 10 oz.

Shown with his mother Mrs. Margaret Dianne Black, little David has other relatives in Canyon including paternal grandmother Mrs. Esther Black, and great, great uncle Walter Kirkpatrick. Maternal grandmother is Mrs. Arvix Woodring of Amarillo, and maternal grandfather is Jim Kirkpatrick of Oklahoma City, Okla.

FROM THE CANYON RIM

by Troy Martin

Appointment of former senator Grady Hazlewood to the West Texas State University board of regents came as a shocker to a lot of folks in this area.

I doubt that it was a surprise to Board Chairman Cloyce Box.

I feel certain that all the appointments received Box approval before the governor announced them.

Hazlewood retired from the Texas Senate only in 1970 and still has a lot of uncollected IOUs in Austin. He is potent in the legislative halls of the state having proved this last year in getting through some decisive legislation concerning Panhandle-Plains Historical Museum.

West Texas State can use the Hazlewood influence. As Chairman Box aptly put it, West Texas State has some catching up to do and it is going to need money to do it. Hazlewood can help.

***

There's talk going around that Governor Preston Smith is not really a candidate for re-election.

One of his strongest supporters in Amarillo says he announced only so he would not be a lame duck during the special session.

I don't buy this because the special session is not due until after the May primaries and Smith would either be a lame duck or governor-elect anyway.

Governor Smith took me by surprise and I admit it. I didn't think he would run but right now he's a candidate until he withdraws or is beaten.

Don't sell him short. He is a potent candidate in spite of Sharpstown. His political savvy is evidenced in his appointment of Hazlewood.

The old gray fox going onto the board of regents of his alma mater means that a bloody political hatchet has been successfully buried by Smith.

Smith and Hazlewood had been at each other's throats for years. Now this seems to have been smoothed over.

***

Suicide prevention people say that self destruction is a most dangerous possibility during and immediately following holidays because of family contact during time off.

Family pressures come to bear heaviest in times when people theoretically should be getting together to enjoy themselves.

This is especially true among students. They put aside personal difficulties during the grind of school work but when mid-term or Christmas vacation rolls around the problems come flooding back.

***

In the future more effort must be given to solving man's emotional problems. Up to now we have concentrated on providing the "good life" for everyone and this meant giving him more things.

We have been a thing oriented society so long that it's going to be hard to devote a part of our treasure to something as nebulous as inner peace.

But after all that is about all that counts.

A national magazine recently did a study of some 300 Boston Irishmen with brothers still living on the old sod.

The Boston brothers lived better from a standpoint of having better food and housing and seemingly better surroundings than their Irish brothers.

But the brothers in Ireland seem to have a tranquility at their harder labor that those in Boston do not have.

The Boston brothers have something that the Irish brothers have not acquired — heart attacks. It seems that food, drink and even smoking may have less to do with coronaries than tension, surroundings and keeping up with the Joneses.

***

Jimmy Gillentine, one of the state's outstanding newspapermen, sold The Hereford Brand, with which he has been associated since the 1930s, last week.

"It's almost like selling one of the kids," Gillentine commented.

New Officers For Police Department

Two new officers have been hired for the Canyon Police Department according to police chief Al Stewart.

Joining the department in mid-December was Werner Talley, 28. The officer is enrolled in the police science degree program at Amarillo College. He was born in Germany and spent most of his school years there with his family, who was assigned there in the military.

He and his wife Carolyn Sue reside in Canyon.

George Greiner, 35, joined the staff effective Jan. 1. 1972 and came from the West Texas State University security department.

He is working on a masters degree after receiving a bachelor's degree in speech. He served as a captain in the Army and was professor of military science at Amarillo High School.

Another officer on the Canyon police force since August, 15, is Jack Magee, 24. Magee had worked for Bell Helicopter after graduating from high school in Haltom City. He and his wife Jean have one daughter, Kristi Renee, 5 months old.

News Briefs

Mr. and Mrs. Albert Byars and Mr. and Mrs. Julian Berry have recently returned from Los Angeles, California, where they visited friends and relatives for a week. The Byars two daughters, Frances Kiker and Jean Jerman live in Los Angeles. Mrs. Berry is also the Byars granddaughter. Byars said they also visited various places of interest around the state.

Two Canyon boys spent the day building an elaborate fort on a vacant lot near their homes. The boys said they only used nine items from their homes and found the others out of doors.

Christian Named To Commission

State Representative Tom Christian has been appointed to a 15-member U.S. Congressional Commission to advise the U.S. House of Representative Agriculture Committee on Venezulean Equine Encyphomelitis.

The commission will consist of Texas ranchers and veterinarians and will be termed a resource group for the committee.

H.Q. Sibley, director of the Texas Animal Health Committee, made the announced this week.

The Agriculture Committee will meet in Texas with the selected commission after the House of Representative reconvenes.

Dr. Ernest Saulman, under secretary of agriculture, recommended the formation of the Texas commission to study the disease that struck the southwest last summer. Dr. Erston Cox, state veterinarian for the Federal Animal Health Commission, helped coordinate the formation of the group.

Band Try-Outs Are Saturday

About 15 band students from Canyon High School will compete at West Texas State University in All-State Band tryouts Saturday.

The students, who won All-Region competition, will be trying for area honors entitling them to try for All-State chairs in Lubbock on Jan. 22.

Harlen Lamkin, band chairman for Region I, is in charge of the Saturday meet.

Forgason Trial Set

Herman C. Forgason, 42, of Lubbock, is scheduled to go to trial Jan. 10 in 181st District Court on a charge of robbery with firearms.

Forgason is charged with the Nov. 14 robbery of Kiddie City at 4559 Western in Amarillo. Forgason allegedly took $500 from the store.

He was arrested by a deputy sheriff in Hereford following a short chase, according to an Amarillo Police Detective.

Grand Jury Names Three

Three indictments were returned Monday by the Randall County grand jury, two on drug charges and one theft charge.

James Brent Sweny, 18, of 628 Ave. G. in Hereford was indicted on charges of the sale and possession of marijuana.

Sweny, a student at West Texas State University, was arrested Dec. 7 as part of a drug raid which included 30 arrest warrents.

Mike Raef, an undercover agent for the Metro Squad, testified Dec. 21 at an examining trial that Sweny sold him a lid of marijuana for $12 on Oct. 12.

Richard D. McCloskey, 23, of 2618 10th Ave. in Canyon, was indicted on charges of possession of marijuana. McCloskey was arrested on Dec. 15.

Frankie D. Millins, 28, of Paragould, Ark., was indicted on charges of theft over $50. He was charged with the theft of a 1962 Dodge pickup on Dec. 21.

Metro Board Meets Jan. 11

Board of governors of the bicity, county Metro Unit will meet in regular session Jan. 11 in Amarillo around 2 p.m., according to director Joe Bowes.

Potter County Sheriff Paul Gaither is acting head of the board. Bowes said he was uncertain when a new head will be named to replace Wiley Alexander, former Amarillo police chief who resigned effective Wednesday.

"A new head will probably not be selected until a new police chief is named for the Amarillo department," Bowes predicted.

Funeral Held For G. A. Ford

Funeral services for Gaut Andrew Ford, 1910 Sixth Ave., were held Wednesday afternoon in LaGrone Funeral Chapel. Rev. Mel Hardin of Calvary Baptist Church officiated.

Ford died in St. Anthony's Hospital in Amarillo Monday afternoon.

Ford, 76, had lived at the Sixth Avenue address for seven years, moving here from California. He was born Nov. 13, 1895 in Decatur. He was a retired night supervisor for Western Union in San Francisco and had worked for the company 44 years when he retired.

He is survived by two daughters, Mrs. Bertha Lee Oliver and Mrs. Betty Jo Schrang, both of Redwood City, Calif., five brothers, Marcus, Perry and J. Scott of Amarillo, Paul S. of San Mateo, Calif., and Knox Russell of San Jose, Calif., six grandchildren, and four great grandchildren.

He was a veteran of World War I.

Pallbearers were John Whinnery, Dale Newman, Guy Ford Jr., Cuby Kitchens, Quincy Hawkins, and Mark Williams.

Our World

BY ANN BROWN

A friend is a person who knows all about you, and loves you anyway.

One motivation expert insists that anyone who can count his friends on one hand — without having any finger left — is exceedingly fortunate.

Can you? Try it.

Unfortunately, many children cannot claim their parents as friends; many husbands cannot count their wives as friends, and vice-versa.

This is the basic cause of many broken homes. If husband and wife are not friends, they cannot be honest with each other without fear of disapproval. The result is an uncomfortable environment of constant tension.

To live in an atmosphere of either fear or disapproval is destructive. Emotional comfort is essential to a happy marriage.

Good friends can create a happy home without being romantic lovers. But romantic lovers cannot have a happy marriage without being friends.

There is nothing more relaxing and conducive to emotional health and comfort than to feel one is among friends.

The awareness that a friendly atmosphere increases productivity has induced many industries to employ psychologists to assign workers to congenial groups.

Disappointment and frustration are probably man's most destructive experiences. Much trauma could be avoided if one would carefully discriminate between friends and associates.

Disappointments result from failing to receive something one sincerely expects. Expecting the impossible brings certain disappointment.

To expect every associate to be a friend is unrealistic. Indiscreet sharing of problems and confidences with associates can be disastrous.

The word friend probably cannotes something different to everyone:

An acrobat said, "A friend is a balancing pole without which it is impossible to walk safely the tightrope of life."

A jeweler said, "A friend is a gold link in the chain of life."

A journalist said, "A friend is a volume of sympathy."

A physician said, "A friend is a plaster for the cuts of misfortune."

A botanist said, "A friend is like ivy: The greater the ruin, the closer he clings."

A preacher said, "A friend is a jewel that shines brightest in the darkness of misfortune."

Henry Ford said, "He is your best friend who brings out the best that is in you."

Our friends see the best in us, and in so doing they bring out the best we are capable of being.

A friend is not necessarily one you can call to help you when you are in trouble — though that has tremendous value; a friend is one to whom you can go when he is in trouble.

There is a Danish proverb which says, "No one is rich enough to do without friends."

Is anyone really poor who has friends?

Many failures in life have made money. But could any man who has made friends be considered a failure?

What is the essential Friendship Vitamin?

It's B[1] — naturally.

How many people can count you as a friend?

District Play Begins Friday

Canyon Eagles romped past Borger 70-59 Monday night in preparation for their first district against Tulia Friday.

Coach B.B. Kendrick said the Eagles have won five of the last six outings, and "maybe our boys are about to play consistent ball."

He praised Gary Berger for an outstanding floor game. "He played the best game he has played this year."

Mike Podzemny was high scorer for Canyon with 31 points and Jon Green dunked in 21. Fred Grona netted 12 points.

The Eagles had fallen to Borger earlier in the season in Borger, but rallied in the last quarter of Monday's game to be victors.

At the half the Eagles were 8 points behind, 31-23, and at the end of the third quarter they led by a slim margin of 45-44. The fourth quarter told the story for the Canyon cagers.

Borger went into Monday's game 11-5 for the season, besting such teams as Plainview and Clovis.

"This was a good win for us," Kendrick praised.

Friday's tilt against Tulia will begin at 8 p.m. in Tulia.

Umbarger News

BY SUSAN DOLLE

Though the following borrowing is not wholly within my thinking pattern, it has enough truth to merit passing it on. It is reprinted from the Plainsman of the LUBBOCK AVALANCHE JOURNAL.

Here's a Space Age rewrite of "Little Red Riding Hood," updated to fit our often cockeyed approach to crime, criminals, and "justice."

"Once upon a time, in a faraway country, there lived a little girl called Red Riding Hood. One day her mother asked her to take a basket of fruit to her grandmother, who had been ill and lived alone in a cottage in the forest.

"It happened that a wolf was lurking in the bushes and overheard the conversation. He decided to take a shortcut to the grandmother's house and get the goodies for himself. The wolf killed the grandmother, then dressed in her nightgown and jumped into bed to await the little girl.

"When she arrived he made several nasty suggestions and then tried to grab her. But by this time the child was very frightened and ran screaming from the cottage.

"A woodcutter, working nearby, heard her cries and rushed to the rescue. He killed the wolf with his axe, thereby saving Red Riding Hood's life. All the townspeople hurried to the scene and proclaimed the woodcutter a hero.

"But at the inquest, several facts emerged:

"1. The wolf had never been advised of his rights.

"2. The woodcutter had made no warning swing before striking the fatal blow.

"3. The American Civil Liberties Union stressed that, although the act of eating Grandma may have been in bad taste, the wolf was only 'doing his thing' and thus didn't deserve the death penalty.

"4. The SDS contended that killing Grandma should be considered self-defense, since she was over 30 and therefore, couldn't be taken seriously because the wolf was trying to make love, not war.

"On the basis of these considerations, it was decided there was no valid basis for charges against the wolf. Moreover, the woodcutter was indicted for un-aggravated assault with a deadly weapon.

"Several nights later, the woodcutter's cottage was burned to the ground.

"One year from the date of the incident at Grandma's her cottage was made a shrine for the wolf who had bled and died there. All village officials spoke at the dedication, but it was Red Riding Hood who gave the most touching tribute.

"She said that while she had been selfishly grateful for the woodcutter's intervention, she realized in retrospect that he had over-reacted. As she knelt and placed a wreath in honor of the brave wolf, there wasn't a dry eye in the whole forest."

Sheriff Posse Banquet Slated

Woody Van Dyke, sportscaster for KVII-TV in Amarillo, will be guest speaker at the Randall County Sheriff's Posse 12th annual banquet at 7 p.m. Saturday.

Officers will be installed and the men will be deputized at the 7 p.m. dinner meeting.

David West, president of the Canyon Chamber of Commerce will install officers, and Sheriff L.S. "Slim" Johnston will deputize the members.

Terry Reynolds, daughter of Mr. and Mrs. Earl Reynolds, has been selected queen of the organization for a second year.

Officers for 1972 include Emil Olson, president; Wayne Wallis, vice president; Leroy Gross, secretary; Glen Campbell, treasurer; Tom Platt, parade marshal; Blaine Hufnagle, assistant parade marshall; Archie Dean Davis, director of the junior deputies; and L. S. Johnston, honorary chairman.

Outgoing president is A. P. Sanford, Jr.

Directors for the new year are Archie Dean Davis, Leroy Gross, Blaine Hufnangle, Emil Olson, Jimmy Plain, Tom Platt, Tommy Joe Platt, A. P. Sanford, Jr., and Wayne Wallis.

Auditions Set For Saturday

The first auditions for a "Do Your Own Thing" talent show will be held at 9 a.m. Saturday in the All-Purpose Room at Rex Reeves Elementary School. The show is being sponsored by the Heritage Woman's Club.

Students from grades one through four will compete for spots on the show, set for Feb. 19 in the Canyon High School Auditorium. Jerry Boehm of Amarillo's KGNC-TV is to be master of ceremonies.

On Jan. 15, students from grades five through eight will be chosen. These auditions will also be at 9 a.m. at Rex Reeves. On Jan. 22 at 9 a.m., grades nine through 12 will perform.

Club members will serve as audition judges.

The show committee is being headed by Mrs. Gene Crowder.

Rites Set For WTSU Student

Funeral services for William Darrell Schwab, 24, of Canyon were conducted Wednesday in Friona.

Mr. Schwab was pronounced dead on arrival at Northwest Texas Hospital in Amarillo around 4 p.m. Sunday after being transferred from Neblett Hospital.

He and his wife of two weeks resided at the Lynette Apartments in Canyon. He had previously lived in Amarillo. Mr. Schwab was a senior student at West Texas State University.

Survivors in addition to his wife Dianne, include his mother, Mrs. Ruth Schwab of Friona; two brothers, Randall of Fort Bragg, N.C., and Michael of Higgins; one sister Juanita Bruth of Bentonville, Ark.

Mrs. Gary William Huffaker, nee Cathy Lynn Caskey

Huffaker - Caskey Rites Performed In Amarillo

Miss Cathy Lynn Caskey and Gary William Huffaker exchanged marriage vows in Southwest Amarillo Church of Christ on Dec. 20. Dr. Everett Blanton officiated.

The bride is the daughter of Mr. and Mrs. Kenneth D. Caskey of Amarillo and the granddaughter of Mr. and Mrs. Edwin Caskey, 1705 Second Ave.

The bridegroom's parents are Mr. and Mrs. Charles Huffaker of Amarillo.

Music for the service was provided by Miss Cindy Blanton and a choral accompaniment. She sang "Always" as the mothers of the bridal pair were seated and "Through the Years" and "Someone" preceding the entrance of the bride. The traditional wedding processional was sung and, following the prayer, "The Lord's Prayer." Excerpts from "Someone" were sung as the couple lighted the Trinity candle after their exchange of vows. The recessional was "Walk Hand in Hand."

For her daughter's wedding, Mrs. Caskey chose an ice-blue shantung and wore a pink cymbidium orchid. Mrs. Huffaker was dressed in an ensemble of willow-green doeskin and wore green cymbidium orchids.

The service was read under an archway of jade foliage interspersed with cerise-pink carnations. Two spiraling candelabra were twined with jade foliage. Aisle candelabra were twined with garlands of greenery and streamers of cerise.

Mrs. Lynn Shackelford was her sister's matron-of-honor.

Bridesmaids were Miss Donna Huffaker, sister of the groom, Mrs. Connie Sue Owen, and Miss Daneen Hill, cousins of the bride, Miss Beth Teague, and Miss Cindy Blanton.

The attendants wore dresses of cerise-pink velvet with silver boleros and slippers. In their hair, they wore matching bows of wide velvet with streamers falling to the floor. Their bouquets were large nosegays of cerise-pink carnations and pale pink roses centered with lighted votive cup candles.

Neil Allen was best man. Groomsmen were Robert Ray, Johnny Burrell, Forrest Jones, David Rodriguez, and Paul Caskey, the brother of the bride. Ushers were Lynn Shankelford and Troy Laminack.

The bride, given in marriage by her father, was gowned in Skinner satin and peau d'Ange lace. The fitted Empire bodice was organza overlaid with lace. The Victorian neckline and sheer bishop sleeves were appliqued with lace. The satin cuffs were accented by tiny buttons and loops. The A-line skirt fell to a hemline of scalloped lace and was ornamented with a tracery of seed pearls and crystals. Her detachable court train was of English net appliqued with lace and made with a scalloped edge. Her Camelot coif of scalloped lace was reembroidered in seed pearls and accented by a satin bow. The illusion veil was elbow length.

The bride carried pink cymbidium orchids with pink roses and stephanotis atop a white Bible with cascades of streamers and pearls.

At the reception following, guests were served from a table covered with a cloth of white peau d'soie embroidered with satin roses. The centerpiece was of cerise-pink carnations and pale pink roses. A separate cake table was ornamented with a bouquet of roses.

For a New Mexico honeymoon, the bride chose a traveling costume of brown knit with a beige blouse and beige accessories. She wore a corsage of pink cymbidium orchids.

Mrs. Huffaker is a former student of West Texas State University and is employed at the Amarillo Day Nursery. The groom, a graduate of the Denver Automotive Institute, is employed at Brown Pontiac in Amarillo.

Nuptial Service Unites Miss Markham, Carter

First Presbyterian Church was the setting for a double-ring wedding service uniting Miss Linda Florine Markham and David Dowd Carter Thursday evening.

The bride is the daughter of Dr. and Mrs. Joe L. Markham. Mr. and Mrs. Horace Carter, 1418 Hillcrest Dr., are the parents of the groom.

Rev. Baldwin J. Stribling officiated.

Mrs. Glenn Dowlen, organist, played traditional wedding music. Mr. and Mrs. Bruce Winn sang "Wedding Prayer" and "The Lord's Prayer."

Antique gold and candlelight, the colors chosen by the bride, were used in decorating the sanctuary. Candelabra holding amber votive cups marked the bridal aisle. The altar was outlined with seven-branch and arch-shaped candelabra holding amber votive cups and accented with clusters of dark green foliage. Large urns filled with gold chrysanthemums flanked the bridal party and the gold altar vases held arrangements of gold chrysanthemums and white carnations.

For her daughter's wedding, Mrs. Markham chose a mint-green dress and coat of silk shantung and matching accessories. Her corsage was gold chrysanthemums.

The groom's mother was attired in a blue silk shantung dress and coat and matching accessories and wore a corsage of gold pompon chrysanthemums.

Miss Rosanne Olson presided at the guest book. Wedding bulletins imprinted with the wedding cross were used.

Mrs. Gene Bales was matron of honor, Miss Kay Olson of Texas City, bridesmaid, and Miss Patricia McNutt of La Palma, Calif., a cousin of the bride, junior bridesmaid.

The attendants wore formal gowns of antique gold satin overlaid with gold chiffon. The dresses were fashioned with Empire bodices and bell sleeves. Single rows of pearl loops defined the waistlines. Their headdresses were double bows of gold satin and chiffon with velvet flowers and leaves.

They carried floral cascades of gold chrysanthemums and pompon mums accented with leatherleaf fern and matching velvet streamers of gold and candlelight.

Randall Hicks served as best man. Groomsman was Robbie Carter, and junior groomsman was Joe Carter. Both are brothers of the groom. Ushers were Charles Ham and Roy Markham, brother of the bride.

The bride, given in marriage by her father, wore a gown of candlelight peau d'soie. Designed with an Empire silhouette, the gown featured a bodice of ribbed peau d'soie with a high rounded collar and Victorian sleeves. Scalloped peau d'Ange lace marked the waistline and beaded lace medallions adorned the elbow-length cuffs and the skirt front. More of the medallions and rows of seed pearls accented the deep back pleats.

The chapel-length veil of candlelight imported illusion was bordered with scalloped peau d'Ange lace to form a train. It was attached to a headpiece of meramist, peau d'soie rosebuds and beaded leaves edged with peau d' Ange lace. The gown and veil were made by the bride's mother.

The bridal bouquet was a cascade of white roses and baby's breath with English ivy. Long streamers of candlelight velvet ribbon tied in love knots complemented the arrangement.

The bride wore pearl earrings, a gift from the groom, and carried a lace handkerchief which was carried by the groom's grandmother, Mrs. Mark Foster, at her own wedding.

For the reception in Fellowship Hall, the bride's table was covered with a cloth of antique gold and white. The tiered wedding cake was decorated with white roses, lily-of-the-valley, and wedding bells. The china bride and groom atop the cake were the ones used to decorate her parents' wedding cake. An arrangement of white roses, carnations and baby's breath, white tapers, and appointments of silver and crystal were used.

In the houseparty were Mrs. John C. McNutt of La Palma, aunt of the bride, Mrs. Don Olson, aunt of the groom, Miss Becky Dodgin of Amarillo, Miss Becky Inman of Midland, Miss Penny Peckenpaugh, cousins of the groom, and Mrs. Larry Batchlear of Amarillo.

For travel, the bride chose a wool coat dress of beige and apricot plaid and beige accessories. Her corsage was of pompon mums.

Following a wedding trip to southern California, the couple will live at 1102 Seventh Ave.

The newlyweds are graduates of Canyon High School. Mrs. Carter is a business education major at West Texas State University.

The parents of the groom hosted a rehearsal dinner for the wedding party in Amarillo Dec. 28.

Mrs. David Dowd Carter, nee Linda Florine Markham

Wedding Solemnized For Miss Gibbs, Nickell

Miss Darla Gwyn Gibbs and Gerry Lynn Nickell were united in marriage Dec. 12 in a double-ring ceremony performed by Rev. James Richie in First Christian Church of Trinidad, Colo.

The bride is the daughter of Mr. and Mrs. James Gibbs, formerly of Trinidad, who now live at Menard. Mr. and Mrs. W.M. Nickell, 2400 11th, are the parents of the groom.

Miss Macky Gibbs, sister of the bride, served as maid of honor. Miss Sharon Nickell, sister of the groom, and Miss Becky David of Denver, were bridal attendants. Their street-length dresses were of red velvet, and they carried long-stemmed pink roses.

The father of the groom served as his son's best man. Groomsmen were Gary Gibbs of Colorado Springs, brother of the bride, and Jerry Morris of Fort Collins.

Given in marriage by her father, the bride wore a floor-length gown of white satin and chiffon. She carried a bouquet of red roses and pink carnations.

A reception in Clenin Hall followed the ceremony.

The bride is a graduate of Branson, Colo., High School and attended Trinidad State Junior College and Texas Tech University at Lubbock. She is a stewardess for Western Airlines.

Nickell is a graduate of Branson High School, Trinidad State Junior College and Colorado State University at Fort Collins. He is to begin basic training in the National Guard Friday.

After a wedding trip to Hawaii, the couple will live temporarily in Minneapolis, Minn.

Mrs. Robert Wayne Tidwell, nee Linda Kay Fisher

Tidwell-Fisher Vows Read

Miss Linda Kay Fisher and Robert Wayne Tidwell were united in marriage in a double-ring ceremony in Trinity Church of Lubbock on the evening of New Year's Day.

The bride is the daughter of Mr. and Mrs. Oren L. Fisher of Lubbock. Mr. and Mrs. Alton Tidwell of Lubbock are the parents of the groom.

The service was performed by Rev. Morris Sheats of Trinity Church and Rev. Marcus Adair of Canyon's Faith Chapel.

Music was provided by soloist Royce Grant of Canyon and Mrs. Grant, organist.

Mrs. Nolan Brown of San Diego, Calif., was matron of honor, and Miss Ann Fisher of Lubbock was maid of honor. Both are sisters of the bride. Bridesmaids were Mrs. Kenneth McFerrin and Miss Sue Thompson, both of Canyon. Miss Kim White of Conago Park, Calif., was flower girl.

The attendants wore identical floor-length gowns of olive-green linen in a princess style. The small standup collars and the sleeves were bound in lace. Velvet bows accented the backs. They carried nosegays of royal blue cordone puffs tied with matching velvet ribbons.

Eldridge Tidwell of Austin was his cousin's best man. Groomsmen were Nolan Brown of San Diego, Randy Tidwell of Plains and Ricky Brazell of Lubbock.

Candlelighters were Stan and Steve White of Conago Park, Eddie Tidwell of Austin was ring bearer.

Given in marriage by her father, the bride wore a gown of ivory Guipure lace and georgette. The molded lace bodice featured a batteau neckline of peau d'soie. Fitted elbow-length sleeves were edged with a fold of peau d'soie. A fold of peau d'soie also defined the high-rise waistline. The circular skirt of georgette was outlined with a deep fold of peau d'soie and a border of Guipure lace. The skirt was sprinkled with medallions of the lace. A cluster of hand-rolled rosettes held her bouffant veil of illusion, which fell in tiers.

A reception at the church followed the ceremony.

Following a wedding trip to Taos, the couple is to live at 3209 35th in Lubbock.

Mrs. Tidwell was graduated from Canyon High School and West Texas State University. Her husband is a graduate of Lubbock High School and a veteran of four years in the U.S. Air Force. He is employed at Texas Tech University.

News Brief

Miss Billie Miller of Dallas spent the Christmas holidays with her parents, Mr. and Mrs. Luke Miller and C.L. of Canyon.

Mrs. Gerry Lynn Nickell, nee Darla Gwyn Gibbs

Miss Lepel, Mr. Sims Repeat Marriage Vows

Miss Sherry Lynn Lepel became the bride of Harry Douglas Sims Dec. 10 in a double-ring ceremony at Faith Chapel.

Rev. J. Frank Peery officiated.

The bride is the daughter of Mrs. Marlene Lepel of Amarillo and George Lepel of Walsh, Colo. The bridegroom is the son of Mr. and Mrs. Jack Sims, 200 Antoine.

Miss Beverly Konkel of Walsh played traditional organ music.

Vows were solemnized before an altar decorated with a basket of gladioli and backed by candelabra twined with greenery.

Miss Cindy Ward of Amarillo was maid of honor. She wore a floor-length gown of royal blue. The flower girl was Miss Megan Lepel, sister of the bride.

Buddy Bertrand of Amarillo was best man.

Kyle Sims, the brother of the groom, was ring-bearer. Candlelighter was Ryan Albert of Walsh.

Ushering was done by Mike Radar of Amarillo and Mark Jolly.

Given in marriage by her father, the bride wore a floor-length gown of peau d' soie and Alencon lace designed with a cowl neckline. The dress was fashioned with an A-line silhouette and long, tapered sleeves of Alencon lace. A chapel-length train, accented with tiny covered buttons and lace appliques, was attached at the shoulders. The veil of imported illusion cascaded from a coif of organdy and lace to the bride's shoulders. She carried a bouquet of white feathered carnations with royal blue streamers.

A reception in the Chapel's Fellowship Hall followed the ceremony. Guests were served from a table covered with white lace.

The three-tiered wedding cake was decorated with royal-blue flowers. Serving were Miss Tammie Lepel, sister of the bride, and Miss Dee Ann Ward of Amarillo.

Mrs. Sharon Sims Jolly, sister of the groom, registered the guests.

A rehearsal dinner was held on Dec. 9. The bridal pair were honored with a miscellaneous shower in Amarillo on Dec. 2.

Mrs. Sims is a mid-term graduate of Amarillo High School. The groom is a senior at Canyon High School. He is employed by Mesa Petroleum Corporation.

The newlyweds are to make their home in Canyon.

Recent initiates into the Heritage Woman's Club are Mrs. Bonita Oliver, Mrs. Carol Crain, and Mrs. Nancy Piercy. Not pictured is Mrs. Mary Ada Ritchie.

Heritage Club Initiates 3

New members initiated into the Heritage Woman's Club on Dec. 20 were Mrs. Carol Crain, Mrs. Bonita Oliver, and Mrs. Nancy Piercy. A new member not present for the ceremony is Mrs. Mary Ada Ritchie.

Club members met at the home of Mrs. W.R. Crow for a tour and then went to the home of Mrs. Virginia Cotton for a Christmas dinner. Other hostesses were Mrs. Marie Wieck and Mrs. Marita Crowder.

A tree was decorated with handmade ornaments which were to be taken to La Casa Nursing Home.

Freemans Tell Birth Of Son

Sgt. and Mrs. Don Freeman of Albuquerque, N.M., have announced the birth of a son, Michael Thomas, at Northwest Texas Hospital on Dec. 20.

He weighed 6 pounds 10 ounces.

Sgt. Freeman is stationed at Kirtland Air Force Base.

The baby has an older brother, Steven, who is 11 months old.

The paternal grandparents are Mr. and Mrs. Truman Freeman, 1203 9th Ave. The maternal grandfather is Dale Virden of Culver City, Calif.

Clinic Set For Saturday

A concert at 7:30 p.m. Saturday in the auditorium of Canyon High School will climax a two-day All-Region choir clinic.

Clinician for the two days of music is to be Dr. Charles Nelson, voice teacher and director of choral activities at East Texas State University in Commerce.

The Saturday night concert, for which there will be no admission charge, will be directed by Dr. Nelson.

Rehearsals are to begin at 2 p.m. Friday and continue through the day on Saturday.

The clinic is to be attended by 144 students from the Panhandle who were chosen at area auditions in Dumas on Nov. 20.

Tom Jennings, choral director at Canyon High School, is in charge of clinic arrangements.

The Saturday concert will include "The Carmina Burana" by Orff, "Three Christmas Motets" by Robert Page, "In Excelis" by Gabrieli, "Widerspruch" by Schubert, "Go Ye Forth, America," by Newberry, "Whene'er the Sounding Harp is Heard" and "The Death of Trenar," by Brahms, and "Heilig" by Mendelssohn.

Had a party? Or giving one? Tell The Canyon News About it. Telephone 655-2141, or stop by the News office on the west side of the square.

"Texas" Directors Begin Hunt For Summer Cast Members

The directors of "Texas" will conduct the first 1972 auditions Friday in the Branding Iron Theatre in the Fine Arts Building at West Texas State University.

Actors and singers may try out for parts in the outdoor drama beginning at 1 p.m. Auditions for dancers will begin at 4 p.m.

A second audition day at WTSU will be held Jan. 15 from 10 a.m. to noon and from 1 p.m. to 4 p.m. for actors and singers. Dancers will try out at 4 p.m. that day also.

In 1972, for the seventh season, 150 people will spend a summer working and performing in Palo Duro Canyon. Members of the company will act, sing, dance, play instruments, manage lights and sound, usher, park cars and work in the concession stands. Salaries of chorus members start at $500 for the season, which includes a month of rehearsals and 58 performances. Actors will begin meeting May 21 to learn their lines, and the entire company will begin rehearsals May 28.

Opening night for the 1972 season is June 22, according to Raymond Raillard, executive vice-president of the Texas Panhandle Heritage Foundation, Inc., which produces the drama.

Schedules are arranged so that members of the company may take some college courses during the summer.

On Jan. 23, "Texas" directors will carry their talent search to Texas Tech University at Lubbock, and on March 5, they will audition prospective performers at Oklahoma City University.

Actors must be prepared to give a memorized scene from a play, not exceeding three minutes. Those who are chosen will double as members of the chorus and all must audition for singing as well as acting roles.

Singers are asked to bring one prepared number which will show the singing voice to its best advantage. Accompanists will be furnished or a singer may bring his own. Since many singers will double in minor speaking roles, each must present a short memorized selection to display the quality of the speaking voice.

Dancers with ballet, modern dance or body movement training are being sought, and applicants should bring workout clothing, said a spokesman.

Instrumentalists to be chosen will include performers on the violin, banjo string bass, accordion, and standard guitar.

Personal interviews are to be conducted with technicians, and those who apply for technical work should present a profile of past theatrical work.

Teens To Talk

Friday will be guest day for the University Study Club when it meets at the Girl Scout House at 1:15 p.m.

A panel of students from Canyon Junior High School will discuss parental responsibility. Mrs. Ruby Fatheree, counselor, will also be on the program.

WHAT IS HISTOPLASMOSIS?

It is a fungus infection of the lungs contracted by breathing contaminated dust. It is more likely to be found in rural areas than in urban, since this fungus affects animals also. It tends to be a comparatively mild, but chronic, sickness. Most cases offer no serious problem.

Its danger is that it can be confused with tuberculosis and some people having it are afraid to go to a physician fearing a tuberculosis diagnosis. Never have any fear when visiting a physician. The least he can do is to help you live longer and more comfortably.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Tidbits here and there

BY CAROL CRAIN

COWICHEVEL, FRANCE, is the destination of Randy Lyles and Vince Wirt this week. The two will complete the Christmas holidays with a ski trip to France and Geneva, Switzerland.

Randy and Vince left for Houston Monday to join other college students on the European jaunt.

The agenda includes eight days of skiing in Cowichevel, France (which is billed as "the most modern and extensively developed ski area in Europe). The resort town is situated at 6,105 feet in the center of a vast domain of snowfields.

The Canyon residents will be participating in a giant slalom race with an awards party scheduled in the evening hours. The party will be complete with wine, awards, and trophies.

The next day the students will ski La Plange then depart for Paris, where they expect to shop and sightsee before returning to Canyon for the spring semester at WTSU.

Randy is the son of the Roy Lyles; Vince is the son of the Wayne Wirts.

***

AREA SKI SLOPES have been decorated with other sport lovers from the city during the holidays. The enthusiasts include Mrs. J.D. Byrd and Mrs. T. Paige Carruth who took the Carruth children, Dwight, Brucie, and Danny Byrd, Mindy Hicks, Tom Trew and Tom Pence to Red River.

THE RON THOMASONS went to Santa Fe for skiing over the holidays.

***

THE ROY GIBSONS AND THE ROY McGREGORS spent New Year's Eve night at Red River as sort of a double second honeymoon.

***

THE WILLIE McALPINS took friends from McAllen to Angel Fire to see some snow, a rarity downstate.

***

RED RIVER the ski destination of Mike Swatzell, Randy Reid, John Lewis and Ken Kellum.

THAT SKI area will also be the site of Boy Scout Troop 31's ski trip scheduled January 28.

***

MR. AND MRS. JIM WHINNERY were in the area during the holidays visiting with Mrs. John Plank of Canyon and the John C. Whinnerys of Amarillo.

The couple now lives in Fort Worth. Jim is a Ph.D. candidate in chemistry at TCU and is contemplating Med School.

***

MRS. JUANITA SUDDERTH of Hobbs, N.M. was in Canyon during the holidays visiting with the Jim Bob Browns.

***

MAMIE AND PAT JARRETT spend part of the holidays in California with relatives. "It rained nearly the whole time", Mamie said. Part of the family made the trip to Disney Land, however.

***

THE WINDY MILLERS visited with Janis and Kenny Branum and son Todd in Lubbock then traveled to Hillsboro to visit with their Doctor son David and his family. A "guess who" Santa visited children at the Millers' church in Hillsboro.

***

ROY AND PAT WINTERS traveled to Florida to see Roy's former WT teammate Jesse Powell play in the Dolphins' last regular season game.

***

BOBBY AND FRANK DILLARD spent the holidays with his relatives in Atlanta, Georgia, and hers in Fernandina Beach, Florida. The weather was a warm 85 degrees there.

Part of the family went deep sea fishing while on the Florida coast. They decided against going to the new Disney World there since TV announcers reported that cars were bumper to bumper for 18 miles going into the tourist attraction.

The Dillards make the trip to the East coast about twice a year. They took the Southern route through Mississippi home.

***

THE BRILLHARTS, Ruth Ann, Bess, Shelley, and Grover were in Canadian during the holidays.

***

CAMPING THROUGH MEXICO were the Charles Brashers. The Brashers and Lori Slack stopped in Puxpan on the coast and watched the shrimp boats come into the port. After sampling the delicacy they traveled on to Mexico City.

The family saw coconut palms and bananas growing along their route.

Internationals were laying a pipeline down the road along part of the journey. The uphill grade at this point slowed the travelers down to such a rate that an Indian on a trotting burro passed them.

***

THE RONNIE WOOTENS are back from a honeymoon trip to Steamboat Springs, Colorado.

***

SENATOR MAX SHERMAN'S supporters are planning a Birthday Party for the 37 year old official as a means of raising funds for the next election.

Tickets are being sold for $5, $25, and $100, however while contributions are "appreciated" admission is free and "everyone is welcome."

The party will be held from 4:30 — 6:30 p.m. Wednesday, January 19 in the La Casa Room of the Holiday Inn I-40 in Amarillo.

Members of the Potter-Randall county steering committee for the event includes both Democrats and Republicans. A partial list includes Dr. James Cornette, L.P. Gilvin, Tom Herrick, Earl Herring, Wales Madden, Jr., Ray Vahue, Tol Ware, Mat Reveles, and Mrs. Nelson Huff.

***

RANDALL COUNTY, (the 1972 "Texas Almanac" states) was created in 1876 and was named for Confederate General Horace Randal. (The County name was misspelled when created).

***

INTERNATIONAL RECIPE FIND: Relatives who traveled to El Paso and Juarez, Mexico brought back a new sandwich idea from the beautiful Decor De Mayo restaurant across the border.

MEXICAN TORTOISE

Take a hard roll (bakery variety), split it and spread a gob of bean dip (or refried beans) on the bottom. Add a slice of fried ham, top with a piece of American cheese, put under the broiler for a moment to melt the cheese then top with a simple dab of guacamole salad. (made from a mashed avocado, dash of salt, and a bit of lemon juice and Worcestershire sauce (to taste). Serve with Doritos.

***

(have a tidbit? Call 655-7470) Deadline each Monday at 5 p.m.

Ready for the European ski slopes are Randy Lyles and Vince Wirt. tthe two left this week for an eight day trip to France and Switzerland. (See Tidbits).

Livestock Meet

Randall County Junior Livestocks Show committee chairmen and members will meet at 7:30 o'clock tonight in the show barn to discuss the annual show and sale Jan. 14-15.

Also to be discussed will be the membership drive now underway.

Committee members are urged to attend, according to association president Raymond Hinders.

Dress. . .

(Continued from Page 1)

all will get game experience."

Basketball "Fun"

"We want basketball to be fun for all concerned. To be fun it must be organized and varied," Kendrick said. "We have a place for everyone. We encourage each boy to do his best so that our program will be successful."

In outlining the type of program for the girls, Schneider said the same offenses and defenses are run beginning defenses are run beginning in the seventh grade and continuing though high school.

"And the drills are the same, however, in the seventh and eighth grades the offense and defense and drills are not quite as advanced."

Fundamentals Taught

"We concentrate on fundamentals in junior high grades so the players will be advanced.

"Our philosophy is to give them game experience but concentrate on fundamentals in junior high grades."

He pointed out that only three coaches handle the nine teams included in all grades.

Kendrick said the seventh grade teams learn 10 series for offense, a sagging man for man defense, and a full court man for man press. He pointed out that at least half of all practice time should be used for fundamental drills.

8th Grade Drills

Eighth grade boys in the basketball program run the 10 series and 20 series for their offense, and they begin using a separate zone offense.

Ninth graders add the 30 series to their offense knowledge and they practice a separate zone offense and a half court zone press.

Sophomores run all basic sets on offense, and they run two zone offenses. They also begin to incorporate the man to man press as is run on the varsity level, according to Kendrick.

Junior varsity team members play 18 to 20 scheduled games plus three tournaments, and they run all offenses and defenses played by the varsity.

Varsity basketball players run two types of presses and all offensive sets coaches find necessary.

Hard Work

"Only through hard work and strict adherence to the procedures can we present to the public the type of program that will do credit to our school," Kendrick explained.

Kendrick pointed out other problems facing the basketball program including the shortage of equipment storage space in the high school.

"On the junior high level, we are in need of practice devices to aid in rebounding and shooting as well as other aspects of the game dealing in basic fundamentals," the coach said.

He stressed that in high school a new score clock is needed for the gym. "The clock we have now is on the verge of collapse and could quit at any time."

Kendrick expressed a desire for more junior high games to be played. The teams are now playing only one game per week.

"It would be possible to play three games every two weeks. This would give more playing time to all teams and increase the interest of the kids in the sport."

And finally the coach suggested considering the hiring of association officials whenever possible to officiate games other than varsity level.

Pay. . .

wealth of Randall County.

Mrs. Hill noted that the county pays its deputy sheriff s more than she is paid and she has to be elected to her position.

In other action affecting salaries, the court approved the hiring of four part-time employees for the tax assessor-collector's office after questioning Mrs. Audrey Bruse on the need for the extra employees.

Commissioner Glen Dowlen said, "The county salary fund has gotten out of hand and we are trying to find out why." Dowlen noted that he didn't believe that the computer in the tax office was decreasing the number of personnel necessary for the office.

Mrs. Bruse told the court that the extra employees were needed to complete voter registration and ad valorum taxes.

Mrs. Bruse said that automobiles had increased the tax roll by one-third this year. She said her office had registered 18-19,000 voters so far and some are predicting that the office will register 30,000 this year.

Smith, Mrs. Bobbye Dillard, and Mrs. Debbie Howard.

Jim Brown and Elton Cox will coach the girls and managers will be Mrs. Lila Vars and Mrs. Sharon Brown.

Woody Pond and Bill Wilson will coach the men's team and players will include Willis Harrison, Troy Martin, Eddie Knowles, David West, David Levens, Frank Castleberry, B.B. Kendrick, Jack Taylor, Bill Foil, Gene Mayfield, Cary Magness, Cordell Huddleston, Larry Hooper and Eddie Holcomb.

A.J. Luquette and Weldon Trice will officiate, and scorers will be George Ritter and George Stevens, Hatcher Brown will be official time keeper.

Adults may purchase tickets for $1 and students 50 cents.

Juvenile Probation office and recommend to the commission on its repair or replacement.

Larry Wright, vice-president of the Tascosa National Bank in Amarillo, was appointed by the court to the Veteran's Land Board.

Wright replaces James J. Jamison who is being transferred.

The court also discussed attending the Panhandle Judges and Commissioners Association spring meeting March 15 at the Quality Motel in Amarillo. Judge Woody Pond is secretary-treasurer of the association.

The commissioners also discussed the State, County Judges and Commissioners Association meeting Oct. 5-7 in Fort Worth.

result in better roads with a lower expenditure of county taxes. We still have approximately 750 miles of unimproved roads, many of which are school bus and mail routes which should be improved.

"My most important goal is to continue working toward operating Randall County in a sound, businesslike manner. I feel I am well qualified for re-election and would consider it an honor and privilege to serve again as Randall County Commissioner and would sincerely appreciate the vote and support of all citizens in the coming elections."

Governor Picks Regents Curry, Hazlewood, Todd

Former state senator Grady Hazlewood has been appointed to the West Texas State University board of regents.

Don Curry, a Fort Worth attorney, has been re-appointed and Governor Preston Smith also tapped Crowell rancher Dick Todd.

Hazlewood and Todd replace Dr. Theron Hawkins of Kerrville and A. E. "Gene" Quest of Lubbock. The terms are for six years, expiring Aug. 31, 1977.

Hazlewood served 30 years in the Texas Senate before retiring in 1970. He is chairman of the board of West Texas State Bank in Canyon.

Todd is a Crowell farmer and rancher. He is 57 years old and is a Texas A&M football great. After his graduation he played football for the Washington Redskins.

He also coached pro and college ball for 13 years doing stints as a mentor for the Washington team, the Jets, SMU, Midwestern and at his alma mater at College Station.

He is a member of the Texas Sports Hall of Fame.

Hazlewood was elected to the Texas Senate from the 31st district in 1940. At the time of his retirement he was second in seniority only to A.M. Akin.

Hazlewood grew up here at Canyon and is a graduate of West Texas State.

Curry at 28 is the youngest man on the board of regents. He is a 1966 graduate of West Texas State University and received his law degree from the University of Texas.

tion form only contains the make of the vehicle.

Mrs. Bruse said the value of the vehicle would be appraised more accurately if the model name is included.

Deadline for displaying 1972 license plates is midnight, April 1.

Car-Motorcycle Accident Here

A car-motorcycle accident New Years Day on Fifth Avenue in Canyon sent one boy to the hospital for minor injuries.

Robert Duane Vogel, 2507 Eighth Ave., was treated and released at Neblett Memorial Hospital around 3 p.m. after the motorcycle he was driving was in collision with a car driven by Jerry LaGrone, also of Canyon.

Larry Vaughan, 2608 Thirteenth Ave., was a passenger on the motorcycle but was uninjured.

Police officers said the motorcycle was traveling west in the 1300 block of Fifth Avenue and the LaGrone car was headed east when the accident occurred.

Dimple Crow Presents Paintings

Canyon artist D. Crow will fly to Austin Thursday to formally present one of her paintings to Governor Preston Smith.

The painting, "Bluebonnet Time In Texas", will remain in the Governor's reception room for several days before being placed in its permanent location on the Capitol Wall.

The 24 x 36 inch oil features Mrs. Crow's speciality the state flower which she has been painting for over two and a half decades. The frame is an antique brown imported from Europe for the occasion.

The presentation, which will be held in the Governor's office at 2 p.m. Thursday, climaxes a year of honors for the artist.

The House of Representatives formally recognized Mrs. Crow's talent last spring with House Resolution 413. The resolution was sponsored by State Representative Ben Bynum of Amarillo and signed by Phil Cates of Pampa, Tom Christian of Claude, Bryan Poff of Amarillo, and Dean Cobb of Dumas. It was adopted April 29, 1971 by the House membership. Representative Bynum will accompany Mrs. Crow to Austin for the presentation.

The artist was also one of five artists to be nominated for the Texas State Artist for the Year ending April 30, 1972. She will soon be featured in a new book entitled "Artist Who Have Portrayed the American West" written by Phil Kovinick of Los Angeles, California.

Besides painting the Texas Bluebonnets, Mrs. Crow does autumn, snow, and Western scenes.

Several family members will also attend the presentation in Austin.

One Fatality Mars City, '71

One fatality marred Canyon's traffic record in 1971, and the city recorded some 291 accidents with only 27 injuries.

The death occurred Mar. 1 when John E. Montgomery was struck by a car in the 2000 block of Fifth Avenue around 7:30 a.m. He was rushed to Neblett Memorial Hospital and then transferred to Northwest Texas Hospital where he died.

The approximate total damage involved in the accidents was estimated at around $106,133, as compared to $120,034 for the preceding year.

Police records show 1,550 traffic violations in 1971, and 271 criminal offenses. A total of 169 arrests were made this year compared to 159 in 1970.

Some 30 DWI arrests were made, 44 drunks, 45 possession and consumption, 4 assaults, 2 burglaries, 8 thefts and 4 traffic. Another 32 arrests were made by police under miscellaneous.

Police answered 806 complaints in 1971 to round out a busy year for the department.

Politics Ready To Flare Here

Political scene in Randall County seems to be lying dormant, but unannounced candidates are seriously eyeing the calendar for announcement dates.

Sheriff L. S. "Slim" Johnston announced his candidancy for reelection Wednesday and commissioner Glenn Dowlen has said he will not seek reelection to precinct 3.

Fundamentals Constant In WT Basketball

(This is the second in a series of articles by West Texas State University head basketball coach Dennis Walling.)

Basketball is a game of fundamentals.

A coach who teaches fundamentals and runs the offense and defense to fit his personnel will generally win. Fundamentals never change. Players change, as do offenses and defenses.

Learning fundamentals is hard work and most talented players look upon that part of basketball as boring. My thinking is to use skilled drills to develop players to do fundamentals I want to teach.

I incorporate at least two fundamentals and sometimes three or four into each drill.

Passing is the most important of the five fundamentals and I have a slogan which I use at all times which says—"You must be able to pass." That is true for both class room work and the basketball court. The remaining four are shooting, rebounding, screening and ball handling or dribbling.

We have six different drills and we spend six minutes per day on each of the two drills. We alternate the drills so every third day we repeat the drills.

We use station drills, four corner passing drills, continuous fast break drills, game warmup drills, team spot shooting drills and competive team free throw shooting drills.

An attempt is made to present each drill as a game situation which as much competition as possible.

A player can become a success in college if he can do four of the basic skills well. It is hard for him to compete on that level if he is below average in as many as two of the five basic skills.

We do our individual teaching before and after practice sessions. Team work and team drills are used during the practice sessions. If a player needs additional work, we ask that he report early for practice and remain late. At that time we can work with him individually. We also encourage our players to work on any weakness in the off season.

From Oct. 15, which is the earliest an NCAA team can start workouts, until Dec. 1, our workouts are two hours and 15 minutes in length. We cut that period down to one and three-quarters of an hour until Feb. 15 and then shorten the period by another 30 minutes.

In order for us to accomplish the tremendous amount of teamwork needed to produce a winning effort, individual work must be limited to times other than those practice periods.

Fires Decrease During Past Year

Canyon's fire department showed a decrease in number of fires during 1971 from the previous year.

Volunteer firemen answered 126 calls compared to 156 in 1970.

Department records show 62 fires were answered within the city, 53 in the county, seven false alarms and 4 rescues.

The largest fire during the year was the burning of Our Gang Schools in May. The one-story building received $40,000 damage in an early morning blaze that swept through the east wing of the building.

A second fire the next day caused the school to be closed until electrical wiring was inspected.

Stewarts Have Son

Mr. and Mrs. Steve Stewart of Clarendon announce the birth of a son, Christopher Sean, born Dec. 27 in Neblett Hospital.

The baby weighed 7 pounds, 11 ounces. The Stewarts have one other son, Steve, Jr.

Gene Howe News

BY PAULINE HEFLEY

Congratulations to Mr. and Mrs. Jim Smith on Gary Lane on the birth of their baby girl, Nikki Jo.

We send a get well wish to our pretty Gene Howe teacher, Mrs. Elizabeth Meers who is checking out the facilities at the Neblett Hospital in Canyon. Mrs. M., we hope you are soon able to go home and feeling fit as a fiddle.

We understand that J.L. Riley recently was in the hospital, but is home now and, hopefully, doing fine — we send a speedy get well wish to you also.

Several New Years Eve parties were held in the neighborhood and two we know about were held by the John Doziers, who had open house. Also visiting with John and Betty et al were Betty's folks from Seminole, Bill and Gene Oswalt, and Betty's grandparents, Mr. and Mrs. J.O. Martia from Abilene. Now back to another party — Harley and LaWanda Sallee had many neighbors and friends by to welcome the new year in.

Happy Birthday to Troyce Mulherin — she will be accepting gifts from now until 5 p.m. on Saturday.

Understand our fearless principal, one Luther B. Lawless, tootled down to East Texas for the holidays — could there possibly be some pretty Southern belles that beckon his call?????

Happy Birthday to Greg Coronado.....

Word has it that Jeanine Keith has been dropped — hope this news is still current and that it didn't hurt too much.

Our sincere sympathy and love is extended to the family and friends of Mrs. John Hayden who died December 23 after a relatively short illness. She will certainly be missed in the community and for her fine contributions at St. Anthony's Hospital. I recall so vidly seeing the Haydens motor by on the day of the schoolboard election, going to vote. That is an example of that little "extra" effort of thoughtfulness.

And, we extend our heartfelt sympathy to Billie, Andy, Matt, and Mark Hanson in the death of Frank, after a illness for a little over three years. We have really lost a friend and his absence will be noticed, as will be Mrs. Hayden's — two of the more stalwart citizens in the community.

Understand the Bob Ingrams recently took a trip down to Midland and Abilene — don't have the details.

Congrats to Mr. and Mrs. Roy Daum — she was the former Becky Newman. They tied the knot on the 17th of December and are now residing in the former Bill Phillips chateau. They took a little honeymoon trip through parts of Oklahoma and New Mexico.

The Aubrey Arps et al motored down to Austin over New Year's to visit with Aubrey's parents, Mr. and Mrs. O.H. Arp, also his aunt and uncle, Mr. and Mrs. Raymond Arp. They report a nice trip — everything was green and the weather was warm — wish they had brought some of that warmth home with them.

Mr. Bobby Fowler from Dallas was a recent guest in the home of the John Doziers.

Welcome back to the Gene Howe area to Rusty and Jeannette Ellis, who were former students at our little school on the hill, and had been living in Garden City, Kansas...glad to have you back.

If you have a boy and he wants to play Kids, Inc. basketball, be sure and get in touch with Leonard Schmidt, 352-0741.

Good luck to Mark and Beth Smith, two of our students, who have just moved to Pampa — know they will be missed.

A little birdie told me that Bill and Donna Vance, who used to live here and are now residing in Iowa, are going to be visited by the stork — sheer jubilation is the atmosphere and we are delighted too.

Ya'll phone me your news — 376-9853 or 352-2089. Hope you had a Merry and a Happy.

Borrowed: Asked to write a short essay on Socrates, one grammar school boy turned in this brief masterpiece: "Socrates was a great man. He was a Greek. He went around telling people what to do. They poisoned him."....pmh

Winter Waterfowl Tours Open Sunday Afternoon At Lake

The Annual Winter Waterfowl Tours of The Department of Interiors, Buffalo Lake Wildlife Refuge will open Sunday.

Paul E. Ferguson, Manager of the Buffalo Lake National Wildlife Refuge for the Bureau of Sports Fisheries and Wildlife, today announced refuge personnel will conduct the first of their annual free winter waterfowl tours beginning at 1:00 p.m. Sunday January 9.

The self-guided public auto tours will run from 1:00 to 4:00 p.m. each Sunday afternoon through January 30. Autos will enter by the west refuge road, two miles south of Umbarger and proceed along a 7 mile route marked with yellow guide arrows. A tour guide sheet will be handed to occupants of each vehicle. Points of interest are numbered along the way with related information reproduced on the handout.

Three vehicle stops with descriptive displays have been prepared along the route. Spotting scopes for closeup viewing of waterfowl resting on the lake will be available for public use. Various types of equipment used in bird banding will be shown including a large nylon net thrown by firing three cannons. Waterfowl banding demonstrations will be conducted at 2:00 and 3:00 p.m. each scheduled Sunday.

The latest waterfowl count on the refuge included 12,000 Canada geese and around 300,000 ducks of many species. Five Eagles have been observed, including 2 adult balds and 3 goldens.

Ferguson said the public is invited to participate in the free Sunday tours and that special guided tours for organized groups may be scheduled by contacting the refuge office.

Had a party? Or giving one? Tell The Canyon News About it. Telephone 655-2141, or stop by the News office on the west side of the square.

Here is a great idea: Turn idle items into cash with a low cost want ad. Call 655-2141.

Buffs Meet MVC Foe

West Texas State University was taken into the Missouri Valley Conference in June of 1970 and since that time one team has been waiting in the wings for MVC competition.

All teams other than basketball are presently playing for the conference title. Because of advance schedules, the basketball team is forced to wait until the 1972-73 season before playing for the crown.

Although they aren't playing for the MVC championship this year, the Buffaloes will get their first crack at a MVC foe at 7:30 p.m. tonight in the Amarillo Civic Center Coliseum.

The Buffaloes of coach Dennis Walling meet North Texas State University in tonight's game. They also host Drake and Wichita State, other conference member, in later games this season.

West Texas returned from its Christmas break Monday night and managed to edge the touring Athletes in Action, a branch of Campus Crusade for Christ, 84-82.

The Buffaloes and their coach were not pleased with their showing against the independent team, but they followed the game with a good practice session Tuesday afternoon.

"The guys realized they didn't play very well Monday and I challenged them pretty good since North Texas State is our first Missouri Valley opponent," said Walling.

Steve Davidson tallied 33 points in leading the Monday night victory. Because of NCAA rules on playing independent teams, the game does not count on the Buffaloes' season record, nor do any of the individual efforts count on season totals.

North Texas, under new coach Gene Robbins, has a 5-3 season record.

In a preliminary game, the West Texas State freshmen will play Amarillo College at 5:15 p.m.

Directors To Be Installed

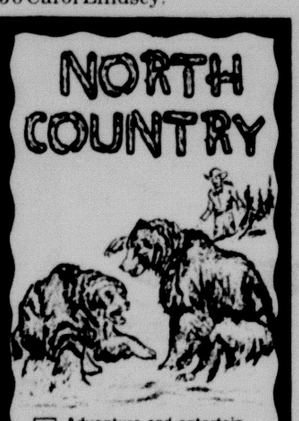

New directors will be elected and installed at 7:30 p.m. Tuesday in the First National Bank for the Women's Chamber of Commerce.

Those nominated to become new directors are Mrs. Edith Davis, Mrs. Betty Markham, Mrs. Carol Crain and Mrs. Shirley Donnell.

Nominations can also be made from the floor, according to Mrs. Kenneth Olsen, outgoing president.

The four new directors and the four past directors will then elect the officers of the chamber from the new directors.

Members of the nominating committee are Mrs. A.B. Holt, Mrs. Georgia Blackwell, Mrs. Cloe Ann Black, Mrs. Cleo Brown and Mrs. Jo Carol Lindsey.

Snow Causes Few Problems

Randall County farmers and ranchers have experienced no serious problems from the wind and blowing snow, according to County Agent John Brazzil.

Brazzil said that the weather Monday was threatening and people were concerned but by Tuesday no problems had arose.

He said that farmers and ranchers were able to get to cattle and that it was too early to have many new calves.

The cattle on wheat pasture in open areas will shrink some, Brazzil said, because of low water and feed intake.

The moisture from the snow was insignificant, he said. There are few benefits when the wind blows the snow but Randall County has adequate moisture in the soil now, Brazzil said.

The sheriff's office said that no moisture had been recorded from the snow.

Paul Ferguson of the Buffalo Lake Wildlife Refuge said that the freeze-up of small outlying lakes has forced a large number of water fowl into the refuge area.

Ferguson said there were now 12,000 Canada geese and 300,000 ducks of all species on the lake at the present time.

He said that the cold weather and snow would not hurt the birds only make them congregate in areas with deeper, larger water.

Tax Booklet Now On Sale

An information booklet on how to fill out Federal tax returns is now on sale at the Canyon Post Office, according to Postmaster Lee Roy Moreland.

The booklet, "Your Federal Income Tax" written by the Internal Revenue Service costs 75 cents and gives many examples to illustrate how the tax law applies to actual situations, Moreland said.

Fire...

(Continued from Page 1)

not been identified. Mrs. Cartwright said that the man went to the Cartwright house and tried to open the door of the home and when he couldn't went to the Booth home.

Susan Booth called Mrs. Cartwright at the bank and she arrived at her home before the fire department.

The Cartwrights had lived in the home about four years. They are now staying with Cartwright's brother, Dan Cartwright at 1944 S. Highland in Amarillo.

Mrs. Cartwright said the family had no definite plans for rebuilding or finding a new home.

The Cartwright's oldest daughter, Tiffany, 7, attends Rex Reeves Elementary School and the other two children are in playschool in Canyon.

Mrs. Cartwright said that the children had already received several items of clothing and shoes and toys. She said that the children had a friend that is sharing her Christmas gifts with the Cartwright children.

WT Spring Registration Next Week

Registration for the spring semester at West Texas State University will be held Jan. 13, 14 and 15 in the Activity Center.

Classes will begin Jan. 17.

Freshman and senior students will register Jan. 13 and sophomore, junior and graduate students will register Jan. 14. Evening-only students and late arrivals will register Jan. 15.

The registration schedule for Jan. 13 and 14 is as follows:

8:00-8:30	K-L
8:30-9:00	Sa-Sl
9:00-9:30	Sm-Sz
9:30-10:00	T-V
10:00-10:30	P-Q
10:30-11:00	N-O
11:00-11:30	M
11:30-12:00	W-Z
12:00-12:30	Bm-Bz
12:30-1:00	A-Bl
1:00-1:30	R
1:30-2:00	I-J
2:00-2:30	Hf-Hz
2:30-3:00	Ha-He
3:00-3:30	E-G
3:30-4:00	C-D

The registration schedule for Jan. 15 is as follows:

8:00-8:30	K-M
8:30-9:00	S-V
9:00-9:30	W-Z
9:30-10:00	C-D
10:00-10:30	E-G
10:30-11:00	A
11:00-11:30	H-J
11:30-12:00	B
12:00-12:30	N-R
12:30-1:00	Remaining Registrants

The last day to register in person and pay fees is Saturday, Jan. 22, until noon.

The home of Mr. and Mrs. Don Cartwright of 204 Rosemary in Sherman Acres was completely destroyed by fire Tuesday afternoon. Canyon firemen fought the fire for about four hours. The Cartwrights have three children.

An account has been set up for the family at the First National Bank in Canyon and any donations of clothing can be taken to the Canyon Police Department.

A car-pickup accident Friday at the intersection of 4th Ave. and Highway 60 resulted in no injuries and approximately $600 in damage to the two vehicles. Maria Guadalupe Martinez of Muleshoe was driving a 1966 Dodge Station Wagon and Paul Glovier of Canyon was driving a 1950 truck pulling a cotton trailer. Both cars were traveling east on Highway 60 and the accident occurred when Glovier attempted a right hand turn, according to the Canyon Police Department.

Canyon Girl Eagles Lose Third Game Of The Season

Canyon girl Eagles lost their third game in the season Tuesday night against Spearman, 42-57.

Eagles Mentor Bob Schneider said the girls played a cold third quarter, which probably told the story for the evening.

"We shot only 45 per cent from the field and 45 per cent from the foul line," Schneider recalled. The girls generally shot 65-70 per cent from the foul line.

Spearman shot 65 per cent from the field and 75 per cent from the foul line.

Kris Tucker and Marilyn Read led the Eagles with 17 points each. Ginger Currie dropped in 5 and Kim Killingsworth scored 3.

At half the Eagles were behind six points, and in the third quarter the girls shot four out of 14 from the floor. Spearman socked 8 out of 9 during the third period. Canyon rallied during the fourth quarter with 5 out of 9. Spearman's percentage stayed high with 3 out of 4.

The Eagles play Abernathy here Friday with the sophomore team beginning at 6:30 p.m. and the varsity at 8 p.m.

And district play begins next Friday against Muleshoe there. Junior varsity begins at 6:30 p.m. and the varsity follows at 8 p.m.

"We need to be ready for the district game," Schneider said Wednesday.

Had a party? Or giving one? Tell The Canyon News About it. Telephone 655-2141, or stop by the News office on the west side of the square.

Four Football Stars Sign With WTSU Buffs

West Texas State head football coach Gene Mayfield announced the signings Tuesday of four standout high school football players — three from Borger High School and one from Amarillo Caprock.

All four players signed preenrollment applications and Missouri Valley Conference letters of intent.

The Borger players are backs Melton Brooks and Johnny Darden and lineman Eddie Garrison. Caprock quarterback Mike Lozano also signed.

Lozano, son of Mr. and Mrs. Joe Lozano, tied for first team all-district quarterback honors in District 3-AAAA. The 5-8, 150-pounder, who can bench press 260 pounds, led the district rushers for the season with 1,075 yards and had 1,713 total yards.

He averaged 5.6 yards per carry during district play and hit on 20 of 55 passes during those games for 362 yards, with only two interceptions.

The little speedster threw nine touchdown passes this fall for the Longhorns, who weren't a passing team.

He runs a 4.6 time in the 40-yard dash. As a sophomore he was a state meet entry in the long jump and runs on both Longhorn relay teams.

"Mike is tough and a great competitor," said Caprock coach Ray Basinger. "He started 29 varsity games in three years and didn't miss one game because of an injury. He was as good as any athlete in the district in doing the things we wanted of him."

Brooks rushed for 750 yards as a junior and added 850 this past year for the Borger Bulldogs. The 5-9, 165-pounder won the district 100-yard dash title last year in 9.8 and also had a 9.7 clocking. He is the son of Mr. and Mrs. Melvin Brooks.

"Melton had the quickest feet of any back in the district," said head Borger coach Sonny Lang. "He combines great moves with his speed and excells on defense."

The 6-0, 177-pound Darden was a starting fullback and linebacker for two years. He earned honorable mention all-district honors this past year on defense, while Brooks had the same honor on offense.

"Although Johnny didn't carry the ball often, he averaged 4.5 yards per carry," said Lang. "I was always impressed with his 100 per cent effort on every play. Considering both offense and defense, he was one of the district's better players."

He is the son of Mr. and Mrs. Benny Darden.

Garrison started at defensive end and offensive tackle this past season and was a part-time starter as a junior.

"Eddie has the speed and quickness to be a good college player," said Lang. He improved throughout the season, especially on offense and his defense was consistant."

The 6-4, 215 pounder is the son of Mrs. Earl Garrison.

Wilson Moves To LBJ Park

Mike Wilson of Canyon has been named as assistant park superintendent at the Lyndon B. Johnson State Park.

Wilson said that he and his wife, Claudia, plan to move to their new home on the LBJ Ranch today or Friday. The couple will be renting a home from the former President.

Wilson, who has been a park attendent at Palo Duro State Park for five years, graduated from West Texas State University in August with a degree in speech and drama.

He had a role in "Texas" and his wife played the second female lead in "Texas."

Wilson said he would be in charge of slide presentations and the exhibit hall at the LBJ State Park, which was dedicated this summer.

Wilson said he was looking forward to his new position. "It will be quite different from Palo Duro Park but it will be more down my line," he said.

Wilson is the son of Randall County Justice of the Peace and Mrs. Bill Wilson.

Dress Facilities "Inadequate" Say CHS Basketball Coaches

BY MARGO WILLIAMS

Eagle basketball coach B. B. Kendrick emphasized Monday that dressing facilities for his teams are unsanitary and inadequate.

Kendrick made the statements to Canyon school trustees Monday immediately following the Eagle victory over Borger.

He explained the facilities for the basketball teams, track teams and other off season sports are "totally inadequate".

"We are now dressing over 50 players in one dressing room with only 3 showers. This situation is not only demoralizing to the players but also could be a contributing factor to prospective players passing up the sport," Kendrick declared.

Space Limited

The coach also painted a dismal picture of present workout space for both junior high and high school teams, explaining workouts in the junior high must be held on alternate days after school.

"In a program that includes 12 junior high school teams and 6 high school teams, the problem of workout space becomes one of our largest to combat," he stressed. "With the junior high boys, we are how having to workout only 2 grades after school with the 7th and 8th grades alternating workout days. On the high school level, our gym is in use from 2:30 til 6:30 every day that is not a game day."

Kendrick was joined in his observation concerning the workout space by girls head coach Bob Schneider.

Workouts Crowded

Schneider noted that three teams work out in one hour at the high school and the West Texas State University gym and the junior high gym are used if possible during the noon hour.

"If we can't do this, it means we have to work all three teams in one hour in the gym," Schneider said.

He also mentioned that a one-hour workout period during the day is not adequate to compete, so "we have to come back after the boys finish about 5 or 5:30 p.m. a couple of nights a week."

The girls coach explained the other teams are brought back at nights if enough time is available.

Schneider addressed the school board at 7 p.m. Monday, the board then adjourned until after the Eagle game when Kendrick explained his program.

Practice Day

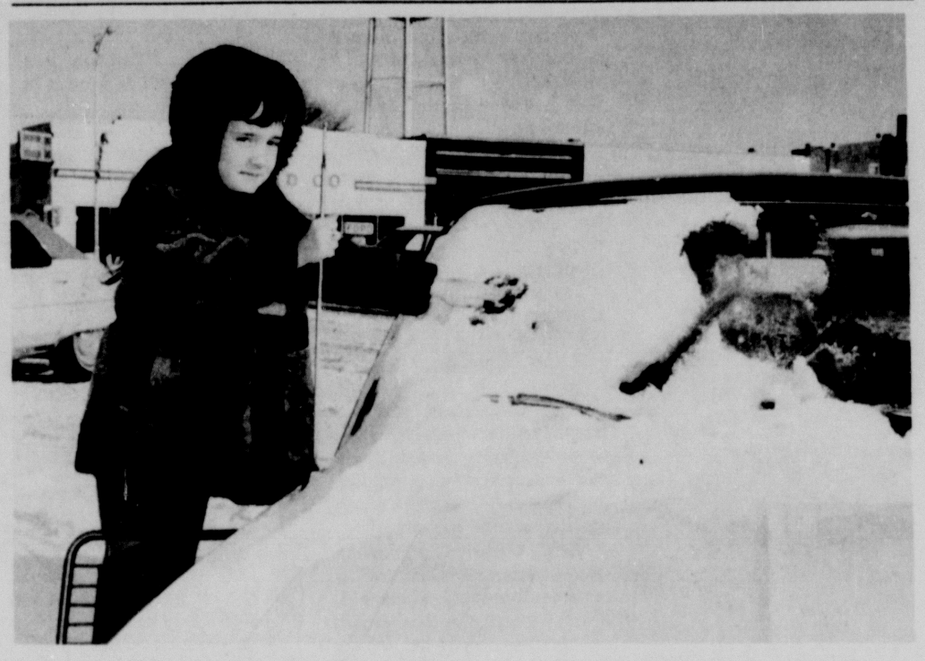

Schneider continued saying the junior high girls teams workout during the school days for one hour.

"The reason we have no after-school workouts is lack of gym space and lack of personnel."

He explained some 216 girls participate in the basketball teams from the seventh grades through high school, and 172 regular season games will be played.

Both men said due to the large number of students on the teams in junior high, students who play in each game are rotated. "so

Cold and snowy, but not discouraged was Kelli Roberts feeling Tuesday as she brushed snow from a car. Kelli, five year old daughter of Mr. and Mrs. Tommie Roberts of Seminole, was bundled for the weather except for mittens, and she admitted that she needed those too for the sub-freezing temperatures that rocked Canyon Monday night and Tuesday.

Says Stewart

Metro Changes Goals

Organized crime will be the future target of Metro Unit officers, according to Canyon police chief Al Stewart.

Stewart told Rotarians Tuesday that Metro goals will be directed toward getting the "big" men in drug pushing.

"We have not been getting the big wholesale pushers, but we are changing our policies in the Metro Unit," Stewart announced about the bicity, county and West Texas State University police force founded a year ago.

Stewart's statement came during a question and answer period when he was quizzed if law enforcement officers are presently getting the large wholesale pusher, rather than just kids are selling small amounts.

"The Metro Unit will be concentrating its time to organized crime in order to get the big men," he continued.

"It will take a longer time to develop these cases, but we think they will be big cases," he explained.

Stewart urged the public to be patient because "results will be slower in coming when we work on the bigger cases."

The chief spoke at the Rotary meeting on drug problems and urged all adults to communicate with and understand today's youth.

"Conviction of drug possession is a felony, and that conviction can leave social scars throughout life," he told the gathering. "But the fear of penalty doesn't stop drug use."

Stewart told the group, "Youth of today are role oriented, not goal oriented, and they are interested in their role in the world today."

"They are seeking adult models who aren't hypocritical."

He encouraged parents to communicate with their children.

"I urge you to listen to the youth of today. We want to protect our youth, not throw them in jail."

Stewart said the drug problem is being solved partly through education, but communication with adults is part of the answer also.

"Communicate with your own children. Try to understand them, not judge them," he stressed.

AL STEWART

Bald Eagles, Chicks Play For Money

It's the Bald Eagles and the Chamber Chicks that will highlight an evening of basketball Jan. 27 in Canyon.

And the two groups, both sponsored by the Canyon Chamber of Commerce, will meet the Four Flushers and the Four Flusherettes from KGNC in Amarillo.

The tilt will be played to raise money for the Chamber Christmas Lighting Fund.

Game time is 6:30 p.m. with the girls taking the floor followed by the Bald Eagles in the high school gym.

Players for the Chicks include Mrs. Treasurer Brasher, Mrs. June Carlile, Mrs. Judy Castleberry, Mrs. Ruby Abbott, Dr. Leta Boswell, Mrs. Margaret Read, Mrs. Edith Nicholas, Mrs. Patricia Magness, Mrs. Barbara Schneider, Mrs. Peggy

(See BALD, page 6)

Cartwright Home Gutted By Fire

BY ELAINE PEEPLES

Two and one-half year old Leslie Cartwright was upset Tuesday night because she didn't have a bath tub and five-year old Bryan because he didn't have pajamas.....

The Don Cartwright home at 204 Rosemary and all the family's possessions were destroyed Tuesday afternoon by fire.

The only items saved from the burning home were the family photo album and a safety deposit box.

Mrs. Ray Cartwright, Don Cartwright's mother, said that Cartwright went into the house and got the album and the family papers and then went through the garage and let the dog out.

The Canyon fire department was called to the fire in Sherman Acres about 1:30 p.m. Tuesday and fought the fire for about four hours, according to Joe Rice of the Canyon Fire Department.

Six units and 25 firemen were sent to battle the blaze including a large tanker truck from the Randall County road department, Rice said.

Rice said that 15,300 gallons of water was put on the fire and that the department ran out of water. There is no source of water in the housing development and the department had to rely on water from the trucks, Rice said.

Rice said the cause of the fire has not been determined but that the fire apparently started in the garage and utility area of the house.

An account for the Cartwright family has been set up at the First National Bank of Canyon where Mrs. Cartwright has worked as a bookkeeper for about six weeks.

Any donations of clothing or cooking utensils can be taken to the Canyon Police Department, according to Mrs. Jesse Booth, secretary at the police department and a neighbor to the Cartwrights.

Mrs. Ray Cartwright said that a passing motorist saw what he though was steam coming out of the top of the house and stopped at a nearby trailer park and called the Canyon Fire Department.

She said that the man had

For County

Birds Cause Headaches

Dr. Dudley Moore, county health officer, recommended Monday that the starlings in the trees around the courthouse be shot and some of the trees be removed to eliminate a sanitation problem.

Dr. Moore appeared before the commissioners court and said that a combination job would probably be necessary to cut down on the number of birds in the trees.

"From a sanitation standpoint, we should do something," Dr. Moore said. He said that the birds were not causing a disease problem but that there was a problem with the odor from the bird droppings.

Dr. Moore said that in Amarillo, gun clubs were used to shoot the birds there to save the government ammunition expense. "We can disperse the birds to other areas and let someone else worry about it," Dr. Moore said.

Commissioner Glenn Dowlen said that the sheriff's office had shot at the birds previously and "nearly got hung."

Dr. Moore said that in Amarillo, the gun clubs shot at the birds three times one year, twice the next year and "they got the idea and didn't come back."

"We all like trees," Dr. Moore said, "but we might selectively take some out." Dr. Moore said he thought it could be determined where the droppings are and selectively remove the trees in those areas.

"We will have to control the problem rather than eradicate it," Dr. Moore said.

Commissioner Jim Fletcher said he would personally rather see the birds shot than to remove the trees. "If the residents are aware of why they are shooting them they wouldn't object so much," he said.

Dr. Moore said that the birds could be poisoned but that he wouldn't recommend this method. He said grain could also be put out for the birds which would sterilize them so they wouldn't reproduce but he said this method was too expensive.

In other action, the court requested a ruling on who is responsible for paying the postage in returning voter registration certificates for voters who register by mail.

The court said the mailing was expensive to the county and that if possible under the law it could be better for the county to have residents pick up their certificates or send a stamped envelope.

Commissioner Dowlen said, "Alot of people are spending our money for us is the problem."

The court allocated $250 to the Ninth Administrative Judicial District for Randall County and authorized County Road Superintendent Carl Baker to negotiate for county road equipment.

The court also asked Baker to inspect a car used by the

(See BIRDS, page 6)

Page One Musts. . .

Approval Sought

City commissioners will consider final plat approvals in two areas of the city at the regular meeting tonight at 7 o'clock.

According to city manager George Loudder, commissioners will review final plats by Don Mason Builders in the west end of the city, and they will review the final plat in Pioneer Estates on Linda Lane.

Also on the agenda will be the second reading of the CATV ordinance, and they will discuss a request from West Texas State University to surrender street easements.

Loudder said he will request that the commission okay advertisement of bids for the 1972 paving program. He said he would like to open bids in early February.

Commissioners will also discuss the agenda for the Jan. 20 town hall meeting.

Work Committees

Chamber of Commerce board of directors will meet at 7:30 p.m. Monday in the Canyon community center to discuss the 1972 banquet.

Chamber president David West said directors will also discuss formation of committees.

"We want to establish working committees that will actually do the work," West explained.

The annual banquet date has not been set and a speaker has not been confirmed, according to West.

Fletcher Seeks Reelection Bid

J. I. (Jim) Fletcher announced his candidacy for reelection as Randall County Commissioner of Precinct 1 Tuesday.

Following is a statement released by Fletcher:

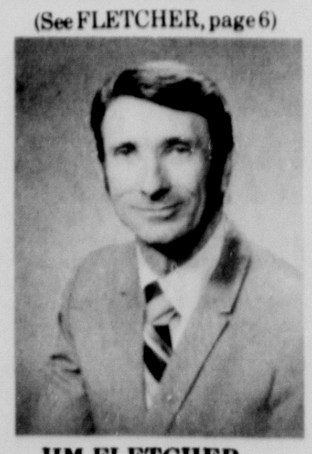

"I would like to announce my candidacy for re-election for a second term as Commissioner of Precinct #1 of Randall County.

"I have enjoyed sharing in the responsibility of good government in Randall County. With the cooperation of the other officials on the court, we have been able to lower county tax rates for the past two years while increasing the efficiency of most departments in the county.

"I am a Director of the Potter-Randall Child Welfare Agency, Second Vice-President of the Panhandle Regional Planning Commission, an organization for the orderly planning and development of all the panhandle by the citizens. I have much interest in the Proposed Urban Development Program for Amarillo.

"This past year, we have started a unit system for road maintenance, which should

(See FLETCHER, page 6)

JIM FLETCHER

David Kent Acclaimed As Top Tennis Coach

West Texas State tennis coach David Kent has been named Tennis Coach of the Year by the committee heading the Panhandle Sports Hall of Fame.

Kent, along with other coaches and athletes of the year, 66ers and was a member of the 1956 United States Olympic Team.

Blaine had great coaching will be honored at the annual installation ceremonies at 2 p.m. Sunday in the Amarillo College Auditorium.

Kent is among the leading contenders for the coach of the year award, which is presented to one of the six coaches being honored.

The Buffalo tennis coached guided his team to the Missouri Valley Conference championship last spring in its first conference effort. The Buffaloes compiled a 23-3 season record and had three tournament championships. Of the 23 wins, 11 were shutouts.

Kent, a former Amarillo High School athlete, has coached his Buffalo netters to a 40-11 record in two years.

Jim Weatherall, former University of Oklahoma All-American from White Deer, Gib Ford and John Blaine will be installed in the Panhandle Sports Hall of Fame. Ford played basketball for Amarillo High School, University of Texas, Phillips records in football, basketball and track at Dimmitt High School.

Kent is among the leading

(See KENT, page 6)

Applications Due In Jan.

Residents of Randall County may order their 1972 license plates from the tax assessor-collectors office as soon as they receive the renewal applications, according to Mrs. Audrey Bruse.

The first of 7.5 million renewal applications were mailed Dec. 31 and owners of motor vehicles should receive the applications early in January.

Formal motor vehicle registration begins Feb. 1. Owners must return the entire renewal application, the registration fee and $1 for each vehicle to be registered to the tax office.

License plates will be returned by mail on Feb. 1 or they may be picked up the tax office, Mrs. Bruse said.

The application form should be left intact and the three-part form should not be separated, Mrs. Bruse said.

Mrs. Bruse said that vehicle owners should also indicate when returning the application, the model name of the vehicle. The applica-

(See APPLICATIONS, page 6)

Action Monday

Pay Raises For County?

Randall County commissioners will act on pay raises for county employees at their regular meeting Jan. 10.

County Judge Woody Pond stated at the meeting Monday that an allocation was made in the county budget for a six per cent raise for county employees.

Commissioners also discussed a new bill which changes the method of setting county employees salaries and which sets up a salary grievance committee in each county.

Under the new law effective Jan. 1, 1972, the county commissioners of each county will fix the amount of compensation, office expense, travel expense and all other allowances for county and precinct officials and employees who are paid wholly from county funds.

The new law, Bill 384, outdated about 1,000 bracket bills passed by the state legislature affecting single counties, according to County Clerk LeRoy Hutton.

Members of the grievance committee are to be six elected county officials and three residents of the county.

The elected offcials are the sheriff, the county tax assessor-collector, the county treasurer, the county clerk, the district clerk and the county or criminal district attorney. The county judge is chairman of the committee but is not entitled to vote.

The public members of the committee will be selected next Monday from a list of persons serving on grand juries during the preceding year.

Any elected county or precinct officer who is aggrieved by the setting of his salary, expenses, or other allowances by the commissioners court may request a hearing before the committee. The committee may by a vote of six members recommend a change to the commissioners court.

A written recommendation by nine of the members of the committee, however, becomes effective without the action of the commissioners court.

Ruth Hill, county treasurer, appeared before the court to request a raise. Mrs. Hill is now paid $7,300 a year and requested $7,800 which she said was still below the average for county treasurers in counties of the population and

COVERING FUMBLES
by Dean Mitch Jones

If he dared, he would call me two faced when I listen carefully to the other side before I concede that his side is right.

Year's 1st Baby

Baby of the year is little David Randolph Black, son of Mr. and Mrs. Jerry 'Don Black of 200 20th Street in Canyon. The baby was the first born in Canyon at Neblett Memorial Hospital in 1972. He arrived at 1:46 p.m. Saturday, Jan. 1, and weighed 6 lbs., 10 oz.

Shown with his mother Mrs. Margaret Dianne Black, little David has other relatives in Canyon including paternal grandmother Mrs. Esther Black, and great, great uncle Walter Kirkpatrick. Maternal grandmother is Mrs. Arvix Woodring of Amarillo, and maternal grandfather is Jim Kirkpatrick of Oklahoma City, Okla.

FROM THE CANYON RIM

by Troy Martin

Appointment of former senator Grady Hazlewood to the West Texas State University board of regents came as a shocker to a lot of folks in this area.

I doubt that it was a surprise to Board Chairman Cloyce Box.

I feel certain that all the appointments received Box approval before the governor announced them.

Hazlewood retired from the Texas Senate only in 1970 and still has a lot of uncollected IOUs in Austin. He is potent in the legislative halls of the state having proved this last year in getting through some decisive legislation concerning Panhandle-Plains Historical Museum.

West Texas State can use the Hazlewood influence. As Chairman Box aptly put it, West Texas State has some catching up to do and it is going to need money to do it. Hazlewood can help.

***

There's talk going around that Governor Preston Smith is not really a candidate for re-election.

One of his strongest supporters in Amarillo says he announced only so he would not be a lame duck during the special session.

I don't buy this because the special session is not due until after the May primaries and Smith would either be a lame duck or governor-elect anyway.

Governor Smith took me by surprise and I admit it. I didn't think he would run but right now he's a candidate until he withdraws or is beaten.

Don't sell him short. He is a potent candidate in spite of Sharpstown. His political savvy is evidenced in his appointment of Hazlewood.

The old gray fox going onto the board of regents of his alma mater means that a bloody political hatchet has been successfully buried by Smith.

Smith and Hazlewood had been at each other's throats for years. Now this seems to have been smoothed over.

***

Suicide prevention people say that self destruction is a most dangerous possibility during and immediately following holidays because of family contact during time off.

Family pressures come to bear heaviest in times when people theoretically should be getting together to enjoy themselves.

This is especially true among students. They put aside personal difficulties during the grind of school work but when mid-term or Christmas vacation rolls around the problems come flooding back.

***

In the future more effort must be given to solving man's emotional problems. Up to now we have concentrated on providing the "good life" for everyone and this meant giving him more things.

We have been a thing oriented society so long that it's going to be hard to devote a part of our treasure to something as nebulous as inner peace.

But after all that is about all that counts.

A national magazine recently did a study of some 300 Boston Irishmen with brothers still living on the old sod.

The Boston brothers lived better from a standpoint of having better food and housing and seemingly better surroundings than their Irish brothers.

But the brothers in Ireland seem to have a tranquility at their harder labor that those in Boston do not have.

The Boston brothers have something that the Irish brothers have not acquired — heart attacks. It seems that food, drink and even smoking may have less to do with coronaries than tension, surroundings and keeping up with the Joneses.

***

Jimmy Gillentine, one of the state's outstanding newspapermen, sold The Hereford Brand, with which he has been associated since the 1930s, last week.

"It's almost like selling one of the kids," Gillentine commented.

New Officers For Police Department

Two new officers have been hired for the Canyon Police Department according to police chief Al Stewart.

Joining the department in mid-December was Werner Talley, 28. The officer is enrolled in the police science degree program at Amarillo College. He was born in Germany and spent most of his school years there with his family, who was assigned there in the military.

He and his wife Carolyn Sue reside in Canyon.

George Greiner, 35, joined the staff effective Jan. 1. 1972 and came from the West Texas State University security department.

He is working on a masters degree after receiving a bachelor's degree in speech. He served as a captain in the Army and was professor of military science at Amarillo High School.

Another officer on the Canyon police force since August, 15, is Jack Magee, 24. Magee had worked for Bell Helicopter after graduating from high school in Haltom City. He and his wife Jean have one daughter, Kristi Renee, 5 months old.

News Briefs

Mr. and Mrs. Albert Byars and Mr. and Mrs. Julian Berry have recently returned from Los Angeles, California, where they visited friends and relatives for a week. The Byars two daughters, Frances Kiker and Jean Jerman live in Los Angeles. Mrs. Berry is also the Byars granddaughter. Byars said they also visited various places of interest around the state.

Two Canyon boys spent the day building an elaborate fort on a vacant lot near their homes. The boys said they only used nine items from their homes and found the others out of doors.

Christian Named To Commission

State Representative Tom Christian has been appointed to a 15-member U.S. Congressional Commission to advise the U.S. House of Representative Agriculture Committee on Venezulean Equine Encyphomelitis.

The commission will consist of Texas ranchers and veterinarians and will be termed a resource group for the committee.

H.Q. Sibley, director of the Texas Animal Health Committee, made the announced this week.

The Agriculture Committee will meet in Texas with the selected commission after the House of Representative reconvenes.

Dr. Ernest Saulman, under secretary of agriculture, recommended the formation of the Texas commission to study the disease that struck the southwest last summer. Dr. Erston Cox, state veterinarian for the Federal Animal Health Commission, helped coordinate the formation of the group.

Band Try-Outs Are Saturday

About 15 band students from Canyon High School will compete at West Texas State University in All-State Band tryouts Saturday.

The students, who won All-Region competition, will be trying for area honors entitling them to try for All-State chairs in Lubbock on Jan. 22.

Harlen Lamkin, band chairman for Region I, is in charge of the Saturday meet.

Forgason Trial Set

Herman C. Forgason, 42, of Lubbock, is scheduled to go to trial Jan. 10 in 181st District Court on a charge of robbery with firearms.

Forgason is charged with the Nov. 14 robbery of Kiddie City at 4559 Western in Amarillo. Forgason allegedly took $500 from the store.

He was arrested by a deputy sheriff in Hereford following a short chase, according to an Amarillo Police Detective.

Grand Jury Names Three

Three indictments were returned Monday by the Randall County grand jury, two on drug charges and one theft charge.

James Brent Sweny, 18, of 628 Ave. G. in Hereford was indicted on charges of the sale and possession of marijuana.

Sweny, a student at West Texas State University, was arrested Dec. 7 as part of a drug raid which included 30 arrest warrents.

Mike Raef, an undercover agent for the Metro Squad, testified Dec. 21 at an examining trial that Sweny sold him a lid of marijuana for $12 on Oct. 12.

Richard D. McCloskey, 23, of 2618 10th Ave. in Canyon, was indicted on charges of possession of marijuana. McCloskey was arrested on Dec. 15.

Frankie D. Millins, 28, of Paragould, Ark., was indicted on charges of theft over $50. He was charged with the theft of a 1962 Dodge pickup on Dec. 21.

Funeral Held For G. A. Ford

Funeral services for Gaut Andrew Ford, 1910 Sixth Ave., were held Wednesday afternoon in LaGrone Funeral Chapel. Rev. Mel Hardin of Calvary Baptist Church officiated.

Ford died in St. Anthony's Hospital in Amarillo Monday afternoon.

Ford, 76, had lived at the Sixth Avenue address for seven years, moving here from California. He was born Nov. 13, 1895 in Decatur. He was a retired night supervisor for Western Union in San Francisco and had worked for the company 44 years when he retired.

He is survived by two daughters, Mrs. Bertha Lee Oliver and Mrs. Betty Jo Schrang, both of Redwood City, Calif., five brothers, Marcus, Perry and J. Scott of Amarillo, Paul S. of San Mateo, Calif., and Knox Russell of San Jose, Calif., six grandchildren, and four great grandchildren.

He was a veteran of World War I.

Pallbearers were John Whinnery, Dale Newman, Guy Ford Jr., Cuby Kitchens, Quincy Hawkins, and Mark Williams.

Metro Board Meets Jan. 11

Board of governors of the bi-city, county Metro Unit will meet in regular session Jan. 11 in Amarillo around 2 p.m., according to director Joe Bowes.

Potter County Sheriff Paul Gaither is acting head of the board. Bowes said he was uncertain when a new head will be named to replace Wiley Alexander, former Amarillo police chief who resigned effective Wednesday.

"A new head will probably not be selected until a new police chief is named for the Amarillo department," Bowes predicted.

Our World

BY ANN BROWN

A friend is a person who knows all about you, and loves you anyway.

One motivation expert insists that anyone who can count his friends on one hand — without having any finger left — is exceedingly fortunate.

Can you? Try it.

Unfortunately, many children cannot claim their parents as friends; many husbands cannot count their wives as friends, and vice-versa.

This is the basic cause of many broken homes. If husband and wife are not friends, they cannot be honest with each other without fear of disapproval. The result is an uncomfortable environment of constant tension.

To live in an atmosphere of either fear or disapproval is destructive. Emotional comfort is essential to a happy marriage.

Good friends can create a happy home without being romantic lovers. But romantic lovers cannot have a happy marriage without being friends.

There is nothing more relaxing and conducive to emotional health and comfort than to feel one is among friends.

The awareness that a friendly atmosphere increases productivity has induced many industries to employ psychologists to assign workers to congenial groups.

Disappointment and frustration are probably man's most destructive experiences. Much trauma could be avoided if one would carefully discriminate between friends and associates.

Disappointments result from failing to receive something one sincerely expects. Expecting the impossible brings certain disappointment.

To expect every associate to be a friend is unrealistic. Indiscreet sharing of problems and confidences with associates can be disastrous.

The word friend probably cannotes something different to everyone:

An acrobat said, "A friend is a balancing pole without which it is impossible to walk safely the tightrope of life."

A jeweler said, "A friend is a gold link in the chain of life."

A journalist said, "A friend is a volume of sympathy."

A physician said, "A friend is a plaster for the cuts of misfortune."

A botanist said, "A friend is like ivy: The greater the ruin, the closer he clings."

A preacher said, "A friend is a jewel that shines brightest in the darkness of misfortune."

Henry Ford said, "He is your best friend who brings out the best that is in you."

Our friends see the best in us, and in so doing they bring out the best we are capable of being.

A friend is not necessarily one you can call to help you when you are in trouble — though that has tremendous value; a friend is one to whom you can go when he is in trouble.

There is a Danish proverb which says, "No one is rich enough to do without friends."

Is anyone really poor who has friends?

Many failures in life have made money. But could any man who has made friends be considered a failure?

What is the essential Friendship Vitamin?

It's B[1] — naturally.

How many people can count you as a friend?

District Play Begins Friday

Canyon Eagles romped past Borger 70-59 Monday night in preparation for their first district against Tulia Friday.

Coach B.B. Kendrick said the Eagles have won five of the last six outings, and "maybe our boys are about to play consistent ball."

He praised Gary Berger for an outstanding floor game. "He played the best game he has played this year."

Mike Podzemny was high scorer for Canyon with 31 points and Jon Green dunked in 21. Fred Grona netted 12 points.

The Eagles had fallen to Borger earlier in the season in Borger, but rallied in the last quarter of Monday's game to be victors.

At the half the Eagles were 8 points behind, 31-23, and at the end of the third quarter they led by a slim margin of 45-44. The fourth quarter told the story for the Canyon cagers.

Borger went into Monday's game 11-5 for the season, besting such teams as Plainview and Clovis.

"This was a good win for us," Kendrick praised.

Friday's tilt against Tulia will begin at 8 p.m. in Tulia.

Umbarger News

BY SUSAN DOLLE

Though the following borrowing is not wholly within my thinking pattern, it has enough truth to merit passing it on. It is reprinted from the Plainsman of the LUBBOCK AVALANCHE JOURNAL.

Here's a Space Age rewrite of "Little Red Riding Hood," updated to fit our often cockeyed approach to crime, criminals, and "justice."

"Once upon a time, in a faraway country, there lived a little girl called Red Riding Hood. One day her mother asked her to take a basket of fruit to her grandmother, who had been ill and lived alone in a cottage in the forest.

"It happened that a wolf was lurking in the bushes and overheard the conversation. He decided to take a shortcut to the grandmother's house and get the goodies for himself. The wolf killed the grandmother, then dressed in her nightgown and jumped into bed to await the little girl.

"When she arrived he made several nasty suggestions and then tried to grab her. But by this time the child was very frightened and ran screaming from the cottage.

"A woodcutter, working nearby, heard her cries and rushed to the rescue. He killed the wolf with his axe, thereby saving Red Riding Hood's life. All the townspeople hurried to the scene and proclaimed the woodcutter a hero.

"But at the inquest, several facts emerged:

"1. The wolf had never been advised of his rights.

"2. The woodcutter had made no warning swing before striking the fatal blow.

"3. The American Civil Liberties Union stressed that, although the act of eating Grandma may have been in bad taste, the wolf was only 'doing his thing' and thus didn't deserve the death penalty.

"4. The SDS contended that killing Grandma should be considered self-defense, since she was over 30 and therefore, couldn't be taken seriously because the wolf was trying to make love, not war.

"On the basis of these considerations, it was decided there was no valid basis for charges against the wolf. Moreover, the woodcutter was indicted for un-aggravated assault with a deadly weapon.

"Several nights later, the woodcutter's cottage was burned to the ground.

"One year from the date of the incident at Grandma's her cottage was made a shrine for the wolf who had bled and died there. All village officials spoke at the dedication, but it was Red Riding Hood who gave the most touching tribute.

"She said that while she had been selfishly grateful for the woodcutter's intervention, she realized in retrospect that he had over-reacted. As she knelt and placed a wreath in honor of the brave wolf, there wasn't a dry eye in the whole forest."

Auditions Set For Saturday

The first auditions for a "Do Your Own Thing" talent show will be held at 9 a.m. Saturday in the All-Purpose Room at Rex Reeves Elementary School. The show is being sponsored by the Heritage Woman's Club.

Students from grades one through four will compete for spots on the show, set for Feb. 19 in the Canyon High School Auditorium. Jerry Boehm of Amarillo's KGNC-TV is to be master of ceremonies.

On Jan. 15, students from grades five through eight will be chosen. These auditions will also be at 9 a.m. at Rex Reeves. On Jan. 22 at 9 a.m., grades nine through 12 will perform.

Club members will serve as audition judges.

The show committee is being headed by Mrs. Gene Crowder.

Rites Set For WTSU Student

Funeral services for William Darrell Schwab, 24, of Canyon were conducted Wednesday in Friona.

Mr. Schwab was pronounced dead on arrival at Northwest Texas Hospital in Amarillo around 4 p.m. Sunday after being transferred from Neblett Hospital .

He and his wife of two weeks resided at the Lynette Apartments in Canyon. He had previously lived in Amarillo. Mr. Schwab was a senior student at West Texas State University.

Survivors in addition to his wife Dianne, include his mother, Mrs. Ruth Schwab of Friona; two brothers, Randall of Fort Bragg, N.C., and Michael of Higgins; one sister Juanita Bruth of Bentonville, Ark.

Sheriff Posse Banquet Slated

Woody Van Dyke, sportscaster for KVII-TV in Amarillo, will be guest speaker at the Randall County Sheriff's Posse 12th annual banquet at 7 p.m. Saturday.

Officers will be installed and the men will be deputized at the 7 p.m. dinner meeting.

David West, president of the Canyon Chamber of Commerce will install officers, and Sheriff L.S. "Slim" Johnston will deputize the members.

Terry Reynolds, daughter of Mr. and Mrs. Earl Reynolds, has been selected queen of the organization for a second year.

Officers for 1972 include Emil Olson, president; Wayne Wallis, vice president; Leroy Gross, secretary; Glen Campbell, treasurer; Tom Platt, parade marshal; Blaine Hufnagle, assistant parade marshall; Archie Dean Davis, director of the junior deputies; and L. S. Johnston, honorary chairman.

Outgoing president is A. P. Sanford, Jr.

Directors for the new year are Archie Dean Davis, Leroy Gross, Blaine Hufnangle, Emil Olson, Jimmy Plain, Tom Platt, Tommy Joe Platt, A. P. Sanford, Jr., and Wayne Wallis.

Mrs. Gary William Huffaker, nee Cathy Lynn Caskey

Huffaker - Caskey Rites Performed In Amarillo

Miss Cathy Lynn Caskey and Gary William Huffaker exchanged marriage vows in Southwest Amarillo Church of Christ on Dec. 20. Dr. Everett Blanton officiated.

The bride is the daughter of Mr. and Mrs. Kenneth D. Caskey of Amarillo and the granddaughter of Mr. and Mrs. Edwin Caskey, 1705 Second Ave.

The bridegroom's parents are Mr. and Mrs. Charles Huffaker of Amarillo.

Music for the service was provided by Miss Cindy Blanton and a choral accompaniment. She sang "Always" as the mothers of the bridal pair were seated and "Through the Years" and "Someone" preceding the entrance of the bride. The traditional wedding processional was sung and, following the prayer, "The Lord's Prayer." Excerpts from "Someone" were sung as the couple lighted the Trinity candle after their exchange of vows. The recessional was "Walk Hand in Hand."

For her daughter's wedding, Mrs. Caskey chose an ice-blue shantung and wore a pink cymbidium orchid. Mrs. Huffaker was dressed in an ensemble of willow-green doeskin and wore green cymbidium orchids.

The service was read under an archway of jade foliage interspersed with cerise-pink carnations. Two spiraling candelabra were twined with jade foliage. Aisle candelabra were twined with garlands of greenery and streamers of cerise.

Mrs. Lynn Shackelford was her sister's matron-of-honor.

Bridesmaids were Miss Donna Huffaker, sister of the groom, Mrs. Connie Sue Owen, and Miss Daneen Hill, cousins of the bride, Miss Beth Teague, and Miss Cindy Blanton.

The attendants wore dresses of cerise-pink velvet with silver boleros and slippers. In their hair, they wore matching bows of wide velvet with streamers falling to the floor. Their bouquets were large nosegays of cerise-pink carnations and pale pink roses centered with lighted votive cup candles.

Neil Allen was best man. Groomsmen were Robert Ray, Johnny Burrell, Forrest Jones, David Rodriguez, and Paul Caskey, the brother of the bride. Ushers were Lynn Shankelford and Troy Laminack.

The bride, given in marriage by her father, was gowned in Skinner satin and peau d'Ange lace. The fitted Empire bodice was organza overlaid with lace. The Victorian neckline and sheer bishop sleeves were appliqued with lace. The satin cuffs were accented by tiny buttons and loops. The A-line skirt fell to a hemline of scalloped lace and was ornamented with a tracery of seed pearls and crystals. Her detachable court train was of English net appliqued with lace and made with a scalloped edge. Her Camelot coif of scalloped lace was reembroidered in seed pearls and accented by a satin bow. The illusion veil was elbow length.

The bride carried pink cymbidium orchids with pink roses and stephanotis atop a white Bible with cascades of streamers and pearls.

At the reception following, guests were served from a table covered with a cloth of white peau d'soie embroidered with satin roses. The centerpiece was of cerise-pink carnations and pale pink roses. A separate cake table was ornamented with a bouquet of roses.

For a New Mexico honeymoon, the bride chose a traveling costume of brown knit with a beige blouse and beige accessories. She wore a corsage of pink cymbidium orchids.

Mrs. Huffaker is a former student of West Texas State University and is employed at the Amarillo Day Nursery. The groom, a graduate of the Denver Automotive Institute, is employed at Brown Pontiac in Amarillo.

Nuptial Service Unites Miss Markham, Carter

First Presbyterian Church was the setting for a double-ring wedding service uniting Miss Linda Florine Markham and David Dowd Carter Thursday evening.

The bride is the daughter of Dr. and Mrs. Joe L. Markham. Mr. and Mrs. Horace Carter, 1418 Hillcrest Dr., are the parents of the groom.

Rev. Baldwin J. Stribling officiated.

Mrs. Glenn Dowlen, organist, played traditional wedding music. Mr. and Mrs. Bruce Winn sang "Wedding Prayer" and "The Lord's Prayer."

Antique gold and candlelight, the colors chosen by the bride, were used in decorating the sanctuary. Candelabra holding amber votive cups marked the bridal aisle. The altar was outlined with seven-branch and arch-shaped candelabra holding amber votive cups and accented with clusters of dark green foliage. Large urns filled with gold chrysanthemums flanked the bridal party and the gold altar vases held arrangements of gold chrysanthemums and white carnations.

For her daughter's wedding, Mrs. Markham chose a mint-green dress and coat of silk shantung and matching accessories. Her corsage was gold chrysanthemums.

The groom's mother was attired in a blue silk shantung dress and coat and matching accessories and wore a corsage of gold pompon chrysanthemums.

Miss Rosanne Olson presided at the guest book. Wedding bulletins imprinted with the wedding cross were used.

Mrs. Gene Bales was matron of honor, Miss Kay Olson of Texas City, bridesmaid, and Miss Patricia McNutt of La Palma, Calif., a cousin of the bride, junior bridesmaid.

The attendants wore formal gowns of antique gold satin overlaid with gold chiffon. The dresses were fashioned with Empire bodices and bell sleeves. Single rows of pearl loops defined the waistlines. Their headdresses were double bows of gold satin and chiffon with velvet flowers and leaves.

They carried floral cascades of gold chrysanthemums and pompon mums accented with leatherleaf fern and matching velvet streamers of gold and candlelight.

Randall Hicks served as best man. Groomsman was Robbie Carter, and junior groomsman was Joe Carter. Both are brothers of the groom. Ushers were Charles Ham and Roy Markham, brother of the bride.

The bride, given in marriage by her father, wore a gown of candlelight peau d'soie. Designed with an Empire silhouette, the gown featured a bodice of ribbed peau d'soie with a high rounded collar and Victorian sleeves. Scalloped peau d'Ange lace marked the waistline and beaded lace medallions adorned the elbow-length cuffs and the skirt front. More of the medallions and rows of seed pearls accented the deep back pleats.

The chapel-length veil of candlelight imported illusion was bordered with scalloped peau d'Ange lace to form a train. It was attached to a headpiece of meramist, peau d'soie rosebuds and beaded leaves edged with peau d' Ange lace. The gown and veil were made by the bride's mother.

The bridal bouquet was a cascade of white roses and baby's breath with English ivy. Long streamers of candlelight velvet ribbon tied in love knots complemented the arrangement.

The bride wore pearl earrings, a gift from the groom, and carried a lace handkerchief which was carried by the groom's grandmother, Mrs. Mark Foster, at her own wedding.

For the reception in Fellowship Hall, the bride's table was covered with a cloth of antique gold and white. The tiered wedding cake was decorated with white roses, lily-of-the-valley, and wedding bells. The china bride and groom atop the cake were the ones used to decorate her parents' wedding cake. An arrangement of white roses, carnations and baby's breath, white tapers, and appointments of silver and crystal were used.

In the houseparty were Mrs. John C. McNutt of La Palma, aunt of the bride, Mrs. Don Olson, aunt of the groom, Miss Becky Dodgin of Amarillo, Miss Becky Inman of Midland, Miss Penny Peckenpaugh, cousins of the groom, and Mrs. Larry Batchlear of Amarillo.

For travel, the bride chose a wool coat dress of beige and apricot plaid and beige accessories. Her corsage was of pompon mums.

Following a wedding trip to southern California, the couple will live at 1102 Seventh Ave.

The newlyweds are graduates of Canyon High School. Mrs. Carter is a business education major at West Texas State University.

The parents of the groom hosted a rehearsal dinner for the wedding party in Amarillo Dec. 28.

Mrs. David Dowd Carter, nee Linda Florine Markham

Wedding Solemnized For Miss Gibbs, Nickell

Miss Darla Gwyn Gibbs and Gerry Lynn Nickell were united in marriage Dec. 12 in a double-ring ceremony performed by Rev. James Richie in First Christian Church of Trinidad, Colo.

The bride is the daughter of Mr. and Mrs. James Gibbs, formerly of Trinidad, who now live at Menard. Mr. and Mrs. W.M. Nickell, 2400 11th, are the parents of the groom.

Miss Macky Gibbs, sister of the bride, served as maid of honor. Miss Sharon Nickell, sister of the groom, and Miss Becky David of Denver, were bridal attendants. Their street-length dresses were of red velvet, and they carried long-stemmed pink roses.

The father of the groom served as his son's best man. Groomsmen were Gary Gibbs of Colorado Springs, brother of the bride, and Jerry Morris of Fort Collins.

Given in marriage by her father, the bride wore a floor-length gown of white satin and chiffon. She carried a bouquet of red roses and pink carnations.

A reception in Clenin Hall followed the ceremony.

The bride is a graduate of Branson, Colo., High School and attended Trinidad State Junior College and Texas Tech University at Lubbock. She is a stewardess for Western Airlines.

Nickell is a graduate of Branson High School, Trinidad State Junior College and Colorado State University at Fort Collins. He is to begin basic training in the National Guard Friday.

After a wedding trip to Hawaii, the couple will live temporarily in Minneapolis, Minn.

Mrs. Robert Wayne Tidwell, nee Linda Kay Fisher

Tidwell-Fisher Vows Read

Miss Linda Kay Fisher and Robert Wayne Tidwell were united in marriage in a double-ring ceremony in Trinity Church of Lubbock on the evening of New Year's Day.

The bride is the daughter of Mr. and Mrs. Oren L. Fisher of Lubbock. Mr. and Mrs. Alton Tidwell of Lubbock are the parents of the groom.

The service was performed by Rev. Morris Sheats of Trinity Church and Rev. Marcus Adair of Canyon's Faith Chapel.

Music was provided by soloist Royce Grant of Canyon and Mrs. Grant, organist.

Mrs. Nolan Brown of San Diego, Calif., was matron of honor, and Miss Ann Fisher of Lubbock was maid of honor. Both are sisters of the bride. Bridesmaids were Mrs. Kenneth McFerrin and Miss Sue Thompson, both of Canyon. Miss Kim White of Conago Park, Calif., was flower girl.

The attendants wore identical floor-length gowns of olive-green linen in a princess style. The small standup collars and the sleeves were bound in lace. Velvet bows accented the backs. They carried nosegays of royal blue cordone puffs tied with matching velvet ribbons.

Eldridge Tidwell of Austin was his cousin's best man. Groomsmen were Nolan Brown of San Diego, Randy Tidwell of Plains and Ricky Brazell of Lubbock.

Candlelighters were Stan and Steve White of Conago Park, Eddie Tidwell of Austin was ring bearer.

Given in marriage by her father, the bride wore a gown of ivory Guipure lace and georgette. The molded lace bodice featured a batteau neckline of peau d'soie. Fitted elbow-length sleeves were edged with a fold of peau d'soie. A fold of peau d'soie also defined the high-rise waistline. The circular skirt of georgette was outlined with a deep fold of peau d'soie and a border of Guipure lace. The skirt was sprinkled with medallions of the lace. A cluster of hand-rolled rosettes held her bouffant veil of illusion, which fell in tiers.

A reception at the church followed the ceremony.

Following a wedding trip to Taos, the couple is to live at 3209 35th in Lubbock.

Mrs. Tidwell was graduated from Canyon High School and West Texas State University. Her husband is a graduate of Lubbock High School and a veteran of four years in the U.S. Air Force. He is employed at Texas Tech University.

News Brief

Miss Billie Miller of Dallas spent the Christmas holidays with her parents, Mr. and Mrs. Luke Miller and C.L. of Canyon.

Mrs. Gerry Lynn Nickell, nee Darla Gwyn Gibbs

Miss Lepel, Mr. Sims Repeat Marriage Vows

Miss Sherry Lynn Lepel became the bride of Harry Douglas Sims Dec. 10 in a double-ring ceremony at Faith Chapel.

Rev. J. Frank Peery officiated.

The bride is the daughter of Mrs. Marlene Lepel of Amarillo and George Lepel of Walsh, Colo. The bridegroom is the son of Mr. and Mrs. Jack Sims, 200 Antoine.

Miss Beverly Konkel of Walsh played traditional organ music.

Vows were solemnized before an altar decorated with a basket of gladioli and backed by candelabra twined with greenery.

Miss Cindy Ward of Amarillo was maid of honor. She wore a floor-length gown of royal blue. The flower girl was Miss Megan Lepel, sister of the bride.

Buddy Bertrand of Amarillo was best man.

Kyle Sims, the brother of the groom, was ring-bearer. Candlelighter was Ryan Albert of Walsh.

Ushering was done by Mike Radar of Amarillo and Mark Jolly.

Given in marriage by her father, the bride wore a floor-length gown of peau d' soie and Alencon lace designed with a cowl neckline. The dress was fashioned with an A-line silhouette and long, tapered sleeves of Alencon lace. A chapel-length train, accented with tiny covered buttons and lace appliques, was attached at the shoulders. The veil of imported illusion cascaded from a coif of organdy and lace to the bride's shoulders. She carried a bouquet of white feathered carnations with royal blue streamers.

A reception in the Chapel's Fellowship Hall followed the ceremony. Guests were served from a table covered with white lace.

The three-tiered wedding cake was decorated with royal-blue flowers. Serving were Miss Tammie Lepel, sister of the bride, and Miss Dee Ann Ward of Amarillo.

Mrs. Sharon Sims Jolly, sister of the groom, registered the guests.

A rehearsal dinner was held on Dec. 9. The bridal pair were honored with a miscellaneous shower in Amarillo on Dec. 2.

Mrs. Sims is a mid-term graduate of Amarillo High School. The groom is a senior at Canyon High School. He is employed by Mesa Petroleum Corporation.

The newlyweds are to make their home in Canyon.

Recent initiates into the Heritage Woman's Club are Mrs. Bonita Oliver, Mrs. Carol Crain, and Mrs. Nancy Piercy. Not pictured is Mrs. Mary Ada Ritchie.

Heritage Club Initiates 3

New members initiated into the Heritage Woman's Club on Dec. 20 were Mrs. Carol Crain, Mrs. Bonita Oliver, and Mrs. Nancy Piercy. A new member not present for the ceremony is Mrs. Mary Ada Ritchie.

Club members met at the home of Mrs. W.R. Crow for a tour and then went to the home of Mrs. Virginia Cotton for a Christmas dinner. Other hostesses were Mrs. Marie Wieck and Mrs. Marita Crowder.

A tree was decorated with handmade ornaments which were to be taken to La Casa Nursing Home.

Freemans Tell Birth Of Son

Sgt. and Mrs. Don Freeman of Albuquerque, N.M., have announced the birth of a son, Michael Thomas, at Northwest Texas Hospital on Dec. 20.

He weighed 6 pounds 10 ounces.

Sgt. Freeman is stationed at Kirtland Air Force Base.

The baby has an older brother, Steven, who is 11 months old.

The paternal grandparents are Mr. and Mrs. Truman Freeman, 1203 9th Ave. The maternal grandfather is Dale Virden of Culver City, Calif.

Clinic Set For Saturday

A concert at 7:30 p.m. Saturday in the auditorium of Canyon High School will climax a two-day All-Region choir clinic.

Clinician for the two days of music is to be Dr. Charles Nelson, voice teacher and director of choral activities at East Texas State University in Commerce.

The Saturday night concert, for which there will be no admission charge, will be directed by Dr. Nelson.

Rehearsals are to begin at 2 p.m. Friday and continue through the day on Saturday.

The clinic is to be attended by 144 students from the Panhandle who were chosen at area auditions in Dumas on Nov. 20.

Tom Jennings, choral director at Canyon High School, is in charge of clinic arrangements.

The Saturday concert will include "The Carmina Burana" by Orff, "Three Christmas Motets" by Robert Page, "In Excelis" by Gabrieli, "Widerspruch" by Schubert, "Go Ye Forth, America," by Newberry, "Whene'er the Sounding Harp is Heard" and "The Death of Trenar," by Brahms, and "Heilig" by Mendelssohn.

Had a party? Or giving one? Tell The Canyon News About it. Telephone 655-2141, or stop by the News office on the west side of the square.

"Texas" Directors Begin Hunt For Summer Cast Members

The directors of "Texas" will conduct the first 1972 auditions Friday in the Branding Iron Theatre in the Fine Arts Building at West Texas State University.

Actors and singers may try out for parts in the outdoor drama beginning at 1 p.m. Auditions for dancers will begin at 4 p.m.

A second audition day at WTSU will be held Jan. 15 from 10 a.m. to noon and from 1 p.m. to 4 p.m. for actors and singers. Dancers will try out at 4 p.m. that day also.

In 1972, for the seventh season, 150 people will spend a summer working and performing in Palo Duro Canyon. Members of the company will act, sing, dance, play instruments, manage lights and sound, usher, park cars and work in the concession stands. Salaries of chorus members start at $500 for the season, which includes a month of rehearsals and 58 performances. Actors will begin meeting May 21 to learn their lines, and the entire company will begin rehearsals May 28.

Opening night for the 1972 season is June 22, according to Raymond Raillard, executive vice-president of the Texas Panhandle Heritage Foundation, Inc., which produces the drama.

Schedules are arranged so that members of the company may take some college courses during the summer.

On Jan. 23, "Texas" directors will carry their talent search to Texas Tech University at Lubbock, and on March 5, they will audition prospective performers at Oklahoma City University.

Actors must be prepared to give a memorized scene from a play, not exceeding three minutes. Those who are chosen will double as members of the chorus and all must audition for singing as well as acting roles.

Singers are asked to bring one prepared number which will show the singing voice to its best advantage. Accompanists will be furnished or a singer may bring his own. Since many singers will double in minor speaking roles, each must present a short memorized selection to display the quality of the speaking voice.

Dancers with ballet, modern dance or body movement training are being sought, and applicants should bring workout clothing, said a spokesman.

Instrumentalists to be chosen will include performers on the violin, banjo string bass, accordion, and standard guitar.

Personal interviews are to be conducted with technicians, and those who apply for technical work should present a profile of past theatrical work.

Teens To Talk

Friday will be guest day for the University Study Club when it meets at the Girl Scout House at 1:15 p.m.

A panel of students from Canyon Junior High School will discuss parental responsibility. Mrs. Ruby Fatheree, counselor, will also be on the program.

Rx
WHAT IS HISTOPLASMOSIS?
It is a fungus infection of the lungs contracted by breathing contaminated dust. It is more likely to be found in rural areas than in urban, since this fungus affects animals also. It tends to be a comparatively mild, but chronic, sickness. Most cases offer no serious problem.
Its danger is that it can be confused with tuberculosis and some people having it are afraid to go to a physician fearing a tuberculosis diagnosis. Never have any fear when visiting a physician. The least he can do is to help you live longer and more comfortably.
YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Tidbits here and there

BY CAROL CRAIN

COWICHEVEL, FRANCE, is the destination of Randy Lyles and Vince Wirt this week. The two will complete the Christmas holidays with a ski trip to France and Geneva, Switzerland.

Randy and Vince left for Houston Monday to join other college students on the European jaunt.

The agenda includes eight days of skiing in Cowichevel, France (which is billed as "the most modern and extensively developed ski area in Europe). The resort town is situated at 6,105 feet in the center of a vast domain of snowfields.

The Canyon residents will be participating in a giant slalom race with an awards party scheduled in the evening hours. The party will be complete with wine, awards, and trophies.

The next day the students will ski La Plange then depart for Paris, where they expect to shop and sightsee before returning to Canyon for the spring semester at WTSU.

Randy is the son of the Roy Lyles; Vince is the son of the Wayne Wirts.

***

AREA SKI SLOPES have been decorated with other sport lovers from the city during the holidays. The enthusiasts include Mrs. J.D. Byrd and Mrs. T. Paige Carruth who took the Carruth children, Dwight, Brucie, and Danny Byrd, Mindy Hicks, Tom Trew and Tom Pence to Red River.

THE RON THOMASONS went to Santa Fe for skiing over the holidays.

***

THE ROY GIBSONS AND THE ROY McGREGORS spent New Year's Eve night at Red River as sort of a double second honeymoon.

***

THE WILLIE McALPINS took friends from McAllen to Angel Fire to see some snow, a rarity downstate.

***

RED RIVER the ski destination of Mike Swatzell, Randy Reid, John Lewis and Ken Kellum.

THAT SKI area will also be the site of Boy Scout Troop 31's ski trip scheduled January 28.

***

MR. AND MRS. JIM WHINNERY were in the area during the holidays visiting with Mrs. John Plank of Canyon and the John C. Whinnerys of Amarillo.

The couple now lives in Fort Worth. Jim is a Ph.D. candidate in chemistry at TCU and is contemplating Med School.

***

MRS. JUANITA SUDDERTH of Hobbs, N.M. was in Canyon during the holidays visiting with the Jim Bob Browns.

***

MAMIE AND PAT JARRETT spend part of the holidays in California with relatives. "It rained nearly the whole time", Mamie said. Part of the family made the trip to Disney Land, however.

***

THE WINDY MILLERS visited with Janis and Kenny Branum and son Todd in Lubbock then traveled to Hillsboro to visit with their Doctor son David and his family. A "guess who" Santa visited children at the Millers' church in Hillsboro.

***

ROY AND PAT WINTERS traveled to Florida to see Roy's former WT teammate Jesse Powell play in the Dolphins' last regular season game.

***

BOBBY AND FRANK DILLARD spent the holidays with his relatives in Atlanta, Georgia, and hers in Fernandina Beach, Florida. The weather was a warm 85 degrees there.

Part of the family went deep sea fishing while on the Florida coast. They decided against going to the new Disney World there since TV announcers reported that cars were bumper to bumper for 18 miles going into the tourist attraction.

The Dillards make the trip to the East coast about twice a year. They took the Southern route through Mississippi home.

***

THE BRILLHARTS, Ruth Ann, Bess, Shelley, and Grover were in Canadian during the holidays.

***

CAMPING THROUGH MEXICO were the Charles Brashers. The Brashers and Lori Slack stopped in Puxpan on the coast and watched the shrimp boats come into the port. After sampling the delicacy they traveled on to Mexico City.

The family saw coconut palms and bananas growing along their route.

Internationals were laying a pipeline down the road along part of the journey. The uphill grade at this point slowed the travelers down to such a rate that an Indian on a trotting burro passed them.

***

THE RONNIE WOOTENS are back from a honeymoon trip to Steamboat Springs, Colorado.

***

SENATOR MAX SHERMAN'S supporters are planning a Birthday Party for the 37 year old official as a means of raising funds for the next election.

Tickets are being sold for $5, $25, and $100, however while contributions are "appreciated" admission is free and "everyone is welcome."

The party will be held from 4:30 — 6:30 p.m. Wednesday, January 19 in the La Casa Room of the Holiday Inn I-40 in Amarillo.

Members of the Potter-Randall county steering committee for the event includes both Democrats and Republicans. A partial list includes Dr. James Cornette, L.P. Gilvin, Tom Herrick, Earl Herring, Wales Madden, Jr., Ray Vahue, Tol Ware, Mat Reveles, and Mrs. Nelson Huff.

***

RANDALL COUNTY, (the 1972 "Texas Almanac" states) was created in 1876 and was named for Confederate General Horace Randal. (The County name was misspelled when created).

***

INTERNATIONAL RECIPE FIND: Relatives who traveled to El Paso and Juarez, Mexico brought back a new sandwich idea from the beautiful Decor De Mayo restaurant across the border.

MEXICAN TORTOISE

Take a hard roll (bakery variety), split it and spread a gob of bean dip (or refried beans) on the bottom. Add a slice of fried ham, top with a piece of American cheese, put under the broiler for a moment to melt the cheese then top with a simple dab of guacamole salad. (made from a mashed avocado, dash of salt, and a bit of lemon juice and Worcestershire sauce (to taste). Serve with Doritos.

Dress. . .

(Continued from Page 1)

all will get game experience."

Basketball "Fun"

"We want basketball to be fun for all concerned. To be fun it must be organized and varied," Kendrick said. "We have a place for everyone. We encourage each boy to do his best so that our program will be successful."

In outlining the type of program for the girls, Schneider said the same offenses and defenses are run beginning defenses are run beginning in the seventh grade and continuing though high school.

"And the drills are the same, however, in the seventh and eighth grades the offense and defense and drills are not quite as advanced."

Fundamentals Taught

"We concentrate on fundamentals in junior high grades so the players will be advanced.

"Our philosophy is to give them game experience but concentrate on fundamentals in junior high grades."

He pointed out that only three coaches handle the nine teams included in all grades.

Kendrick said the seventh grade teams learn 10 series for offense, a sagging man for man defense, and a full court man for man press. He pointed out that at least half of all practice time should be used for fundamental drills.

8th Grade Drills

Eighth grade boys in the basketball program run the 10 series and 20 series for their offense, and they begin using a separate zone offense.

Ninth graders add the 30 series to their offense knowledge and they practice a separate zone offense and a half court zone press.

Sophomores run all basic sets on offense, and they run two zone offenses. They also begin to incorporate the man to man press as is run on the varsity level, according to Kendrick.

Junior varsity team members play 18 to 20 scheduled games plus three tournaments, and they run all offenses and defenses played by the varsity.

Varsity basketball players run two types of presses and all offensive sets coaches find necessary.

Hard Work

"Only through hard work and strict adherence to the procedures can we present to the public the type of program that will do credit to our school," Kendrick explained.

Kendrick pointed out other problems facing the basketball program including the shortage of equipment storage space in the high school.

"On the junior high level, we are in need of practice devices to aid in rebounding and shooting as well as other aspects of the game dealing in basic fundamentals," the coach said.

He stressed that in high school a new score clock is needed for the gym. "The clock we have now is on the verge of collapse and could quit at any time."

Kendrick expressed a desire for more junior high games to be played. The teams are now playing only one game per week.

"It would be possible to play three games every two weeks. This would give more playing time to all teams and increase the interest of the kids in the sport."

And finally the coach suggested considering the hiring of association officials whenever possible to officiate games other than varsity level.

Pay. . .

wealth of Randall County.

Mrs. Hill noted that the county pays its deputy sheriff s more than she is paid and she has to be elected to her position.

In other action affecting salaries, the court approved the hiring of four part-time employees for the tax assessor-collector's office after questioning Mrs. Audrey Bruse on the need for the extra employees.

Commissioner Glen Dowlen said, "The county salary fund has gotten out of hand and we are trying to find out why." Dowlen noted that he didn't believe that the computer in the tax office was decreasing the number of personnel necessary for the office.

Mrs. Bruse told the court that the extra employees were needed to complete voter registration and ad valorum taxes.

Mrs. Bruse said that automobiles had increased the tax roll by one-third this year. She said her office had registered 18-19,000 voters so far and some are predicting that the office will register 30,000 this year.

Smith, Mrs. Bobbye Dillard, and Mrs. Debbie Howard.

Jim Brown and Elton Cox will coach the girls and managers will be Mrs. Lila Vars and Mrs. Sharon Brown.

Woody Pond and Bill Wilson will coach the men's team and players will include Willis Harrison, Troy Martin, Eddie Knowles, David West, David Levens, Frank Castleberry, B.B. Kendrick, Jack Taylor, Bill Foil, Gene Mayfield, Cary Magness, Cordell Huddleston, Larry Hooper and Eddie Holcomb.

A.J. Luquette and Weldon Trice will officiate, and scorers will be George Ritter and George Stevens, Hatcher Brown will be official time keeper.

Adults may purchase tickets for $1 and students 50 cents.

Juvenile Probation office and recommend to the commission on its repair or replacement.

Larry Wright, vice-president of the Tascosa National Bank in Amarillo, was appointed by the court to the Veteran's Land Board.

Wright replaces James J. Jamison who is being transferred.

The court also discussed attending the Panhandle Judges and Commissioners Association spring meeting March 15 at the Quality Motel in Amarillo. Judge Woody Pond is secretary-treasurer of the association.

The commissioners also discussed the State, County Judges and Commissioners Association meeting Oct. 5-7 in Fort Worth.

contenders for the coach of the year award, which is presented to one of the six coaches being honored.

Livestock Meet

Randall County Junior Livestocks Show committee chairmen and members will meet at 7:30 o'clock tonight in the show barn to discuss the annual show and sale Jan. 14-15.

Also to be discussed will be the membership drive now underway.

Committee members are urged to attend, according to association president Raymond Hinders.

Fletcher. . .

result in better roads with a lower expenditure of county taxes. We still have approximately 750 miles of unimproved roads, many of which are school bus and mail routes which should be improved.

"My most important goal is to continue working toward operating Randall County in a sound, businesslike manner. I feel I am well qualified for re-election and would consider it an honor and privilege to serve again as Randall County Commissioner and would sincerely appreciate the vote and support of all citizens in the coming elections."

Governor Picks Regents Curry, Hazlewood, Todd

Former state senator Grady Hazlewood has been appointed to the West Texas State University board of regents.

Don Curry, a Fort Worth attorney, has been re-appointed and Governor Preston Smith also tapped Crowell rancher Dick Todd.

Hazlewood and Todd replace Dr. Theron Hawkins of Kerrville and A. E. "Gene" Quest of Lubbock. The terms are for six years, expiring Aug. 31, 1977.

Hazlewood served 30 years in the Texas Senate before retiring in 1970. He is chairman of the board of West Texas State Bank in Canyon.

Todd is a Crowell farmer and rancher. He is 57 years old and is a Texas A&M football great. After his graduation he played football for the Washington Redskins.

He also coached pro and college ball for 13 years doing stints as a mentor for the Washington team, the Jets, SMU, Midwestern and at his alma mater at College Station.

He is a member of the Texas Sports Hall of Fame.

Hazlewood was elected to the Texas Senate from the 31st district in 1940. At the time of his retirement he was second in seniority only to A.M. Akin.

Hazlewood grew up here at Canyon and is a graduate of West Texas State.

Curry at 28 is the youngest man on the board of regents. He is a 1966 graduate of West Texas State University and received his law degree from the University of Texas.

tion form only contains the make of the vehicle.

Mrs. Bruse said the value of the vehicle would be appraised more accurately if the model name is included.

Deadline for displaying 1972 license plates is midnight, April 1.

Car-Motorcycle Accident Here

A car-motorcycle accident New Years Day on Fifth Avenue in Canyon sent one boy to the hospital for minor injuries.

Robert Duane Vogel, 2507 Eighth Ave., was treated and released at Neblett Memorial Hospital around 3 p.m. after the motorcycle he was driving was in collision with a car driven by Jerry LaGrone, also of Canyon.

Larry Vaughan, 2608 Thirteenth Ave., was a passenger on the motorcycle but was uninjured.

Police officers said the motorcycle was traveling west in the 1300 block of Fifth Avenue and the LaGrone car was headed east when the accident occurred.

CITATION BY PUBLICATION
THE STATE OF TEXAS

To KATHLEEN MYRTLE BEERY, the mother of Gwen Annette Beery and Barbara Jean Beery, minor children.

Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 181st District Court of Randall County at the Courthouse thereof, in Canyon, Texas, at 9:00 o'clock A.M., on the 28th day of February, 1972, to show cause, if any, why the above named children, GWEN ANNETTE BEERY and BARBARA JEAN BEERY, should not be declared by said court to be "dependent" and "neglected" children, as requested in the petition in this cause, numbered 11595-B on the docket of this court and styled IN THE MATTER OF GWEN ANNETTE BEERY AND BARBARA JEAN BEERY, MINORS, filed in this court on the 30th day of December, 1971.

A brief statement of the nature of this suit is as follows, to-wit: A suit to have Gwen Annette Beery and Barbara Jean Beery, minor children, declared "dependent" and "neglected" children, as is more fully shown by Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Texas, this the 3rd day of January, 1972.

Dimple Crow Presents Paintings

Canyon artist D. Crow will fly to Austin Thursday to formally present one of her paintings to Governor Preston Smith.

The painting, "Bluebonnet Time In Texas", will remain in the Governor's reception room for several days before being placed in its permanent location on the Capitol Wall.

The 24 x 36 inch oil features Mrs. Crow's speciality the state flower which she has been painting for over two and a half decades. The frame is an antique brown imported from Europe for the occasion.

The presentation, which will be held in the Governor's office at 2 p.m. Thursday, climaxes a year of honors for the artist.

The House of Representatives formally recognized Mrs. Crow's talent last spring with House Resolution 413. The resolution was sponsored by State Representative Ben Bynum of Amarillo and signed by Phil Cates of Pampa, Tom Christian of Claude, Bryan Poff of Amarillo, and Dean Cobb of Dumas. It was adopted April 29, 1971 by the House membership. Representative Bynum will accompany Mrs. Crow to Austin for the presentation.

The artist was also one of five artists to be nominated for the Texas State Artist for the Year ending April 30, 1972. She will soon be featured in a new book entitled "Artist Who Have Portrayed the American West" written by Phil Kovinick of Los Angeles, California.

Besides painting the Texas Bluebonnets, Mrs. Crow does autumn, snow, and Western scenes.

Several family members will also attend the presentation in Austin.

One Fatality Mars City, '71

One fatality marred Canyon's traffic record in 1971, and the city recorded some 291 accidents with only 27 injuries.

The death occurred Mar. 1 when John E. Montgomery was struck by a car in the 2000 block of Fifth Avenue around 7:30 a.m. He was rushed to Neblett Memorial Hospital and then transferred to Northwest Texas Hospital where he died.

The approximate total damage involved in the accidents was estimated at around $106,133, as compared to $120,034 for the preceding year.

Police records show 1,550 traffic violations in 1971, and 271 criminal offenses. A total of 169 arrests were made this year compared to 159 in 1970.

Some 30 DWI arrests were made, 44 drunks, 45 possession and consumption, 4 assaults, 2 burglaries, 8 thefts and 4 traffic. Another 32 arrests were made by police under miscellaneous.

Police answered 806 complaints in 1971 to round out a busy year for the department.

Politics Ready To Flare Here

Political scene in Randall County seems to be lying dormant, but unannounced candidates are seriously eyeing the calendar for announcement dates.

Sheriff L. S. "Slim" Johnston announced his candidancy for reelection Wednesday and commissioner Glenn Dowlen has said he will not seek reelection to precinct 3.

Fundamentals Constant In WT Basketball

(This is the second in a series of articles by West Texas State University head basketball coach Dennis Walling.)

Basketball is a game of fundamentals.

A coach who teaches fundamentals and runs the offense and defense to fit his personnel will generally win. Fundamentals never change. Players change, as do offenses and defenses.

Learning fundamentals is hard work and most talented players look upon that part of basketball as boring. My thinking is to use skilled drills to develop players to do fundamentals I want to teach.

I incorporate at least two fundamentals and sometimes three or four into each drill.

Passing is the most important of the five fundamentals and I have a slogan which I use at all times which says—"You must be able to pass." That is true for both class room work and the basketball court. The remaining four are shooting, rebounding, screening and ball handling or dribbling.

We have six different drills and we spend six minutes per day on each of the two drills. We alternate the drills so every third day we repeat the drills.

We use station drills, four corner passing drills, continuous fast break drills, game warmup drills, team spot shooting drills and competive team free throw shooting drills.

An attempt is made to present each drill as a game situation which as much competition as possible.

A player can become a success in college if he can do four of the basic skills well. It is hard for him to compete on that level if he is below average in as many as two of the five basic skills.

We do our individual teaching before and after practice sessions. Team work and team drills are used during the practice sessions. If a player needs additional work, we ask that he report early for practice and remain late. At that time we can work with him individually. We also encourage our players to work on any weakness in the off season.

From Oct. 15, which is the earliest an NCAA team can start workouts, until Dec. 1, our workouts are two hours and 15 minutes in length. We cut that period down to one and three-quarters of an hour until Feb. 15 and then shorten the period by another 30 minutes.

In order for us to accomplish the tremendous amount of teamwork needed to produce a winning effort, individual work must be limited to times other than those practice periods.

Fires Decrease During Past Year

Canyon's fire department showed a decrease in number of fires during 1971 from the previous year.

Volunteer firemen answered 126 calls compared to 156 in 1970.

Department records show 62 fires were answered within the city, 53 in the county, seven false alarms and 4 rescues.

The largest fire during the year was the burning of Our Gang Schools in May. The one-story building received $40,000 damage in an early morning blaze that swept through the east wing of the building.

A second fire the next day caused the school to be closed until electrical wiring was inspected.

Stewarts Have Son

Mr. and Mrs. Steve Stewart of Clarendon announce the birth of a son, Christopher Sean, born Dec. 27 in Neblett Hospital.

The baby weighed 7 pounds, 11 ounces. The Stewarts have one other son, Steve, Jr.

Gene Howe News

BY PAULINE HEFLEY

Congratulations to Mr. and Mrs. Jim Smith on Gary Lane on the birth of their baby girl, Nikki Jo.

We send a get well wish to our pretty Gene Howe teacher, Mrs. Elizabeth Meers who is checking out the facilities at the Neblett Hospital in Canyon. Mrs. M., we hope you are soon able to go home and feeling fit as a fiddle.

We understand that J.L. Riley recently was in the hospital, but is home now and, hopefully, doing fine — we send a speedy get well wish to you also.

Several New Years Eve parties were held in the neighborhood and two we know about were held by the John Doziers, who had open house. Also visiting with John and Betty et al were Betty's folks from Seminole, Bill and Gene Oswalt, and Betty's grandparents, Mr. and Mrs. J.O. Martia from Abilene. Now back to another party — Harley and LaWanda Sallee had many neighbors and friends by to welcome the new year in.

Happy Birthday to Troyce Mulherin — she will be accepting gifts from now until 5 p.m. on Saturday.

Understand our fearless principal, one Luther B. Lawless, tootled down to East Texas for the holidays — could there possibly be some pretty Southern belles that beckon his call?????

Happy Birthday to Greg Coronado.....

Word has it that Jeanine Keith has been dropped — hope this news is still current and that it didn't hurt too much.

Our sincere sympathy and love is extended to the family and friends of Mrs. John Hayden who died December 23 after a relatively short illness. She will certainly be missed in the community and for her fine contributions at St. Anthony's Hospital. I recall so vidly seeing the Haydens motor by on the day of the schoolboard election, going to vote. That is an example of that little "extra" effort of thoughtfulness.

And, we extend our heartfelt sympathy to Billie, Andy, Matt, and Mark Hanson in the death of Frank, after a illness for a little over three years. We have really lost a friend and his absence will be noticed, as will be Mrs. Hayden's — two of the more stalwart citizens in the community.

Understand the Bob Ingrams recently took a trip down to Midland and Abilene — don't have the details.

Congrats to Mr. and Mrs. Roy Daum — she was the former Becky Newman. They tied the knot on the 17th of December and are now residing in the former Bill Phillips chateau. They took a little honeymoon trip through parts of Oklahoma and New Mexico.

The Aubrey Arps et al motored down to Austin over New Year's to visit with Aubrey's parents, Mr. and Mrs. O.H. Arp, also his aunt and uncle, Mr. and Mrs. Raymond Arp. They report a nice trip — everything was green and the weather was warm — wish they had brought some of that warmth home with them.

Mr. Bobby Fowler from Dallas was a recent guest in the home of the John Doziers.

Welcome back to the Gene Howe area to Rusty and Jeannette Ellis, who were former students at our little school on the hill, and had been living in Garden City, Kansas...glad to have you back.

If you have a boy and he wants to play Kids, Inc. basketball, be sure and get in touch with Leonard Schmidt, 352-0741.

Good luck to Mark and Beth Smith, two of our students, who have just moved to Pampa — know they will be missed.

A little birdie told me that Bill and Donna Vance, who used to live here and are now residing in Iowa, are going to be visited by the stork — sheer jubilation is the atmosphere and we are delighted too.

Ya'll phone me your news — 376-9853 or 352-2089. Hope you had a Merry and a Happy.

Borrowed: Asked to write a short essay on Socrates, one grammar school boy turned in this brief masterpiece: "Socrates was a great man. He was a Greek. He went around telling people what to do. They poisoned him."....pmh

Winter Waterfowl Tours Open Sunday Afternoon At Lake

The Annual Winter Waterfowl Tours of The Department of Interiors, Buffalo Lake Wildlife Refuge will open Sunday.

Paul E. Ferguson, Manager of the Buffalo Lake National Wildlife Refuge for the Bureau of Sports Fisheries and Wildlife, today announced refuge personnel will conduct the first of their annual free winter waterfowl tours beginning at 1:00 p.m. Sunday January 9.

The self-guided public auto tours will run from 1:00 to 4:00 p.m. each Sunday afternoon through January 30. Autos will enter by the west refuge road, two miles south of Umbarger and proceed along a 7 mile route marked with yellow guide arrows. A tour guide sheet will be handed to occupants of each vehicle. Points of interest are numbered along the way with related information reproduced on the handout.

Three vehicle stops with descriptive displays have been prepared along the route. Spotting scopes for closeup viewing of waterfowl resting on the lake will be available for public use. Various types of equipment used in bird banding will be shown including a large nylon net thrown by firing three cannons. Waterfowl banding demonstrations will be conducted at 2:00 and 3:00 p.m. each scheduled Sunday.

The latest waterfowl count on the refuge included 12,000 Canada geese and around 300,000 ducks of many species. Five Eagles have been observed, including 2 adult balds and 3 goldens.

Ferguson said the public is invited to participate in the free Sunday tours and that special guided tours for organized groups may be scheduled by contacting the refuge office.

Had a party? Or giving one? Tell The Canyon News About it. Telephone 655-2141, or stop by the News office on the west side of the square.

Here is a great idea: Turn idle items into cash with a low cost want ad. Call 655-2141.

Buffs Meet MVC Foe

West Texas State University was taken into the Missouri Valley Conference in June of 1970 and since that time one team has been waiting in the wings for MVC competition.

All teams other than basketball are presently playing for the conference title. Because of advance schedules, the basketball team is forced to wait until the 1972-73 season before playing for the crown.

Although they aren't playing for the MVC championship this year, the Buffaloes will get their first crack at a MVC foe at 7:30 p.m. tonight in the Amarillo Civic Center Coliseum.

The Buffaloes of coach Dennis Walling meet North Texas State University in tonight's game. They also host Drake and Wichita State, other conference member, in later games this season.

West Texas returned from its Christmas break Monday night and managed to edge the touring Athletes in Action, a branch of Campus Crusade for Christ, 84-82.

The Buffaloes and their coach were not pleased with their showing against the independent team, but they followed the game with a good practice session Tuesday afternoon.

"The guys realized they didn't play very well Monday and I challenged them pretty good since North Texas State is our first Missouri Valley opponent," said Walling.

Steve Davidson tallied 33 points in leading the Monday night victory. Because of NCAA rules on playing independent teams, the game does not count on the Buffaloes' season record, nor do any of the individual efforts count on season totals.

North Texas, under new coach Gene Robbins, has a 5-3 season record.

In a preliminary game, the West Texas State freshmen will play Amarillo College at 5:15 p.m.

Directors To Be Installed

New directors will be elected and installed at 7:30 p.m. Tuesday in the First National Bank for the Women's Chamber of Commerce.

Those nominated to become new directors are Mrs. Edith Davis, Mrs. Betty Markham, Mrs. Carol Crain and Mrs. Shirley Donnell.

Nominations can also be made from the floor, according to Mrs. Kenneth Olsen, outgoing president.

The four new directors and the four past directors will then elect the officers of the chamber from the new directors.

Members of the nominating committee are Mrs. A.B. Holt, Mrs. Georgia Blackwell, Mrs. Cloe Ann Black, Mrs. Cleo Brown and Mrs. Jo Carol Lindsey.

Snow Causes Few Problems

Randall County farmers and ranchers have experienced no serious problems from the wind and blowing snow, according to County Agent John Brazzil.

Brazzil said that the weather Monday was threatening and people were concerned but by Tuesday no problems had arose.

He said that farmers and ranchers were able to get to cattle and that it was too early to have many new calves.

The cattle on wheat pasture in open areas will shrink some, Brazzil said, because of low water and feed intake.

The moisture from the snow was insignificant, he said. There are few benefits when the wind blows the snow but Randall County has adequate moisture in the soil now, Brazzil said.

The sheriff's office said that no moisture had been recorded from the snow.

Paul Ferguson of the Buffalo Lake Wildlife Refuge said that the freeze-up of small outlying lakes has forced a large number of water fowl into the refuge area.

Ferguson said there were now 12,000 Canada geese and 300,000 ducks of all species on the lake at the present time.

He said that the cold weather and snow would not hurt the birds only make them congregate in areas with deeper, larger water.

Tax Booklet Now On Sale

An information booklet on how to fill out Federal tax returns is now on sale at the Canyon Post Office, according to Postmaster Lee Roy Moreland.

The booklet, "Your Federal Income Tax" written by the Internal Revenue Service costs 75 cents and gives many examples to illustrate how the tax law applies to actual situations, Moreland said.

Fire...

(Continued from Page 1)

not been identified. Mrs. Cartwright said that the man went to the Cartwright house and tried to open the door of the home and when he couldn't went to the Booth home.

Susan Booth called Mrs. Cartwright at the bank and she arrived at her home before the fire department.

The Cartwrights had lived in the home about four years. They are now staying with Cartwright's brother, Dan Cartwright at 1944 S. Highland in Amarillo.

Mrs. Cartwright said the family had no definite plans for rebuilding or finding a new home.

The Cartwright's oldest daughter, Tiffany, 7, attends Rex Reeves Elementary School and the other two children are in playschool in Canyon.

Mrs. Cartwright said that the children had already received several items of clothing and shoes and toys. She said that the children had a friend that is sharing her Christmas gifts with the Cartwright children.

WT Spring Registration Next Week

Registration for the spring semester at West Texas State University will be held Jan. 13, 14 and 15 in the Activity Center.

Classes will begin Jan. 17.

Freshman and senior students will register Jan. 13 and sophomore, junior and graduate students will register Jan. 14. Evening-only students and late arrivals will register Jan. 15.

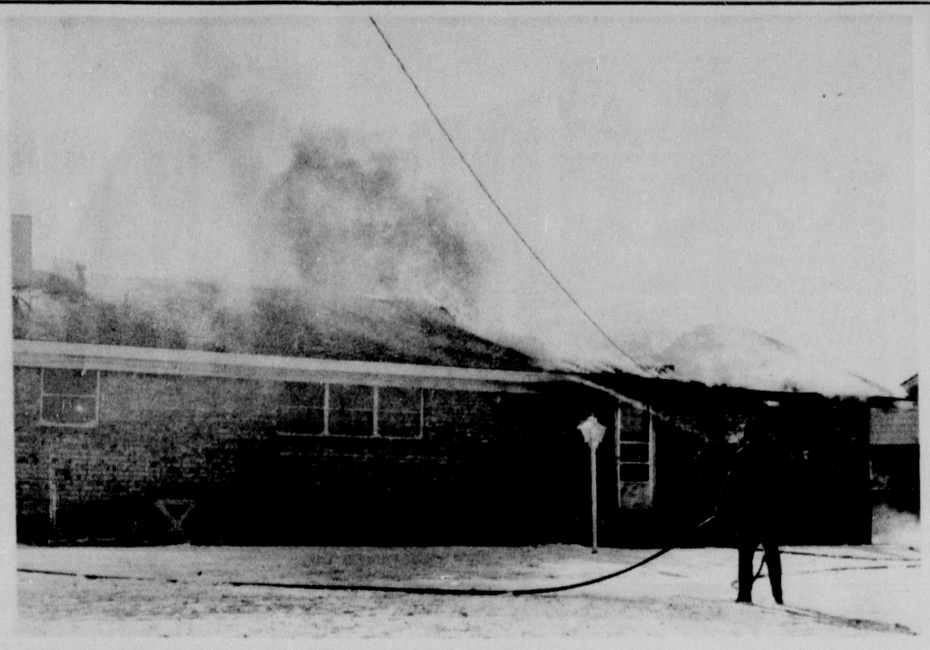

The registration schedule for Jan. 13 and 14 is as follows:

8:00-8:30	K-L
8:30-9:00	Sa-Sl
9:00-9:30	Sm-Sz
9:30-10:00	T-V
10:00-10:30	P-Q
10:30-11:00	N-O
11:00-11:30	M
11:30-12:00	W-Z
12:00-12:30	Bm-Bz
12:30-1:00	A-Bl
1:00-1:30	R
1:30-2:00	I-J
2:00-2:30	Hf-Hz
2:30-3:00	Ha-He
3:00-3:30	E-G
3:30-4:00	C-D

The registration schedule for Jan. 15 is as follows:

8:00-8:30	K-M
8:30-9:00	S-V
9:00-9:30	W-Z
9:30-10:00	C-D
10:00-10:30	E-G
10:30-11:00	A
11:00-11:30	H-J
11:30-12:00	B
12:00-12:30	N-R
12:30-1:00	Remaining Registrants

The last day to register in person and pay fees is Saturday, Jan. 22, until noon.

The home of Mr. and Mrs. Don Cartwright of 204 Rosemary in Sherman Acres was completely destroyed by fire Tuesday afternoon. Canyon firemen fought the fire for about four hours. The Cartwrights have three children.

An account has been set up for the family at the First National Bank in Canyon and any donations of clothing can be taken to the Canyon Police Department.

A car-pickup accident Friday at the intersection of 4th Ave. and Highway 60 resulted in no injuries and approximately $600 in damage to the two vehicles. Maria Guadalupe Martinez of Muleshoe was driving a 1966 Dodge Station Wagon and Paul Glovier of Canyon was driving a 1950 truck pulling a cotton trailer. Both cars were traveling east on Highway 60 and the accident occurred when Glovier attempted a right hand turn, according to the Canyon Police Department.

Canyon Girl Eagles Lose Third Game Of The Season

Canyon girl Eagles lost their third game in the season Tuesday night against Spearman, 42-57.

Eagles Mentor Bob Schneider said the girls played a cold third quarter, which probably told the story for the evening.

"We shot only 45 per cent from the field and 45 per cent from the foul line," Schneider recalled. The girls generally shot 65-70 per cent from the foul line.

Spearman shot 65 per cent from the field and 75 per cent from the foul line.

Kris Tucker and Marilyn Read led the Eagles with 17 points each. Ginger Currie dropped in 5 and Kim Killingsworth scored 3.

At half the Eagles were behind six points, and in the third quarter the girls shot four out of 14 from the floor. Spearman socked 8 out of 9 during the third period. Canyon rallied during the fourth quarter with 5 out of 9. Spearman's percentage stayed high with 3 out of 4.

The Eagles play Abernathy here Friday with the sophomore team beginning at 6:30 p.m. and the varsity at 8 p.m.

And district play begins next Friday against Muleshoe there. Junior varsity begins at 6:30 p.m. and the varsity follows at 8 p.m.

"We need to be ready for the district game," Schneider said Wednesday.

Had a party? Or giving one? Tell The Canyon News About it. Telephone 655-2141, or stop by the News office on the west side of the square.

Four Football Stars Sign With WTSU Buffs

West Texas State head football coach Gene Mayfield announced the signings Tuesday of four standout high school football players — three from Borger High School and one from Amarillo Caprock.

All four players signed preenrollment applications and Missouri Valley Conference letters of intent.

The Borger players are backs Melton Brooks and Johnny Darden and lineman Eddie Garrison. Caprock quarterback Mike Lozano also signed.

Lozano, son of Mr. and Mrs. Joe Lozano, tied for first team all-district quarterback honors in District 3-AAAA. The 5-8, 150-pounder, who can bench press 260 pounds, led the district rushers for the season with 1,075 yards and had 1,713 total yards.

He averaged 5.6 yards per carry during district play and hit on 20 of 55 passes during those games for 362 yards, with only two interceptions.

The little speedster threw nine touchdown passes this fall for the Longhorns, who weren't a passing team.

He runs a 4.6 time in the 40-yard dash. As a sophomore he was a state meet entry in the long jump and runs on both Longhorn relay teams.

"Mike is tough and a great competitor," said Caprock coach Ray Basinger. "He started 29 varsity games in three years and didn't miss one game because of an injury. He was as good as any athlete in the district in doing the things we wanted of him."

Brooks rushed for 750 yards as a junior and added 850 this past year for the Borger Bulldogs. The 5-9, 165-pounder won the district 100-yard dash title last year in 9.8 and also had a 9.7 clocking. He is the son of Mr. and Mrs. Melvin Brooks.

"Melton had the quickest feet of any back in the district," said head Borger coach Sonny Lang. "He combines great moves with his speed and excells on defense."

The 6-0, 177-pound Darden was a starting fullback and linebacker for two years. He earned honorable mention all-district honors this past year on defense, while Brooks had the same honor on offense.

"Although Johnny didn't carry the ball often, he averaged 4.5 yards per carry," said Lang. "I was always impressed with his 100 per cent effort on every play. Considering both offense and defense, he was one of the district's better players."

He is the son of Mr. and Mrs. Benny Darden.

Garrison started at defensive end and offensive tackle this past season and was a part-time starter as a junior.

"Eddie has the speed and quickness to be a good college player," said Lang. He improved throughout the season, especially on offense and his defense was consistant."

The 6-4, 215 pounder is the son of Mrs. Earl Garrison.

Wilson Moves To LBJ Park

Mike Wilson of Canyon has been named as assistant park superintendent at the Lyndon B. Johnson State Park.

Wilson said that he and his wife, Claudia, plan to move to their new home on the LBJ Ranch today or Friday. The couple will be renting a home from the former President.

Wilson, who has been a park attendent at Palo Duro State Park for five years, graduated from West Texas State University in August with a degree in speech and drama.

He had a role in "Texas" and his wife played the second female lead in "Texas."

Wilson said he would be in charge of slide presentations and the exhibit hall at the LBJ State Park, which was dedicated this summer.

Wilson said he was looking forward to his new position. "It will be quite different from Palo Duro Park but it will be more down my line," he said.

Wilson is the son of Randall County Justice of the Peace and Mrs. Bill Wilson.
